[†] "Housing Opportunity" Census tracts meet one or more of the following criteria:

- Individual poverty rate < metro area value (15.0%)
- Median household income > county median value (\$44,834)
- Median gross rent > 3BR affordable limit (\$1,026)
- Average residential assessed value > area affordable value (\$127,490)

Tracts 147 and 1864 only flagged for residential assessed value and were removed manually due to a small sample size of 1-4 family properties.
