PA-33E Narrative

This report is written by P.O. Michael FASULO, District #3, Power Shift.

On Wednesday, March 11, 2015 at 11:00am at District #3 a meeting was held with Connie M. LELAND (b/f, 05-04-65), regarding a shooting incident regarding patrons of the premise at 4001 W. North Ave., Connie's Nite Life Lounge (IR #15-065-0009) and what actions she was taking to prevent further incidents.

LELAND stated that evening the premise had approximately 80% new people inside the premise. LELAND also stated that she usually has 4 security guards working with 1 stationed at the door to conduct pat downs and check Identification. LELAND stated that males are physically patted down and females are check with a metal detector. P.O. Scott LESNIEWSKI informed LELAND that the evening of the shooting, 2 of the female patrons that were in the company of the shooting victim had entered the premise were under the age of 25, which is a violation of the Class B Tavern license restriction establish by the City for LELAND'S premise. LELAND then stated that she does not have complete trust in her security personnel or her bartenders. LELAND also stated there has been instances in the past where she has had to recheck the identification of female patrons and found they were under the age of 25 that security person had allowed into the tavern. LELAND also stated that her personal does not always know the best way to talk with people and sometimes situations inside the premise can escalate, which may have contributed to the fight inside the premise.

Suggestions that were brought up to LELAND to help with the problems she was start with an employee she can trust so she is not responsible for everything: bartending, cooking, checking ID's and cleaning. LELAND was also advised that if there incidents that have not reached a 911 level she can call the non-emergency number for assistance. Taking her security personal and training them with what she expects from them and how they are to act with patrons. Adding an Identification reader. Having security advise patrons they need to leave the premise surrounding property at closing and not congregate. To go with her security camera system is to display a monitor patrons would be able to see inside the premise so they would know they are being recorded and to see that both the inside and outside of the premise is being recorded.

PA-33E Narrative

This report is written by P.O. Michael FASULO, District #3, Late Power Shift.

This report is a summary of reports filed by investigating Officers.

On Tuesday, December 29th, 2015 at 12:26 AM, Squad 3450, P.O. Larry LEIBLSE and P.O. Andrew KEMPEN, along with Squad 3411, Sgt Raymond HEWITT, were dispatched to premise at 2624 W Lisbon Ave for a report of shotspotter, which had detected 8 gunshots in the parking lot of the premise. The premise also called reporting 3-4 gunshots in the parking lot.

Upon arriving on scene Officers located 9 spent brass .40 caliber S&W casings and 3 bullet fragments in the south west corner of the gas station parking lot.

Officers spoke to the clerk at the gas station Afiah SULTAN, who stated that a fight started at the door of the gas station and then he heard several gunshots. SULTAN was able to show Officers the video of the incident where Officers observed a newer silver vehicle park at the southern most gas pump and three subjects got out of the vehicle. Two black males and a black female. The first black male was wearing a green winter jacket and the other black male was wearing a white winter jacket. The subjects entered the building and were talking for a while when a tan older Buick Lesabre pulled up the gas pump on the other side of the silver vehicle. A subject got out of the passenger side door of the Buick and walked up to the door of the building. As the subject in the white winter jacket goes to exit an altercation occurs between the white winter jacket subject and the subject from the Buick. The subject in the green winter jacket approached the subject from the Buick from behind and begins to strike him. The fight between the subjects moves back toward the driver side of the Buick. One of the 2 subjects runs back to the silver vehicle casings were located near where this subject was observed holding something in a pointing fashion towards the subjects of the Buick. The Buick speeds out of the parking lot and get stuck across the street and the passenger goes running northbound on N 27th St. The occupants of the other vehicle stand around for a few minutes and then leave out the south east exit of the parking lot. An anonymous citizen approached Sgt. HEWITT and stated he saw the suspect from the silver vehicle discharging a firearm. SULTAN was able to provide me with a copy of the video for inside and outside the gas station of the incident.

Squads on Scene: 3411 (Sgt. Raymond HEWITT)

At this point, he observed that the car was a late model, silver Chevrolet Impala four-door, or similar vehicle. By this time, both females observed police and ceased their actions. A man who was part of a group standing next to the Impala, then walked to the Impala and got into the driver's seat. The officer attempted to initiate contact with the driver as another officer stood by as cover. Just then, a black vehicle, occupied by two black males drove into the parking lot, stopping in front of the Impala, so the passenger side of the black car was facing the front of the Impala. A hand reached out of the passenger side of the black car, holding a pistol. An officer was about ten to twelve feet away from the man with the gun at that point. The man started firing approximately eight to ten shots of rapid fire at the Impala. Several people that were standing in the lot then began to run in the opposite direction of the gunfire. Officers attempted to stop occupants of the black car as it left the parking lot, when an officer observed that a gun was in the hands of the driver of the black car, with the gun muzzle pointed in their direction. An officer discharged one time at the driver of the black auto. The black auto then fled north on North 48th Street. It is unknown if the black auto or the occupants of it were struck.

It was later determined that a citizen was struck once in the face by gunfire from the black car. The victim was taken to St. Josephs hospital by private vehicle and subsequently transported to Froedtert Hospital.
