Dear Steve,

This is to confirm that the Social Development Commission (SDC) is transitioning the Community Partners Program to Safe and Sound effective May 2, 2007. Therefore, we will no longer provide community organizing services in NSP #12 after May 1, 2007.

If you should need any additional information, please contact Jan Stenlund, Program Services Director, or me at 906-2700.

We appreciate the opportunity to work with the City to offer needed quality services to the residents of our community.

Sincerely,

Deborah Blanks
