To whom it may concern,

As a resident of Milwaukee county, please keep data centers out of Milwaukee. A bit of background about me - I have a degree in computer science from the University of Wisconsin Milwaukee, my career is as a software engineer. I am very well versed in the tech space and I have no desire to support a data center in my community. Again, for what it's worth as a member of this community, please keep data centers out of Milwaukee county.

Thank you,
Skylar Brant
