**I. INTRODUCTION**

## **A. Background**

In 1984, the Wisconsin legislature created 66.1109 (formerly S. 66.608) of the Statutes (see Appendix A) enabling cities to establish Business Improvement Districts (BIDs). The purpose of the law is “to allow businesses within those districts to develop, to manage and promote the districts and to establish an assessment method to fund these activities.” (1983 Wisconsin Act 184, Section 1, legislative declaration.)

The City of Milwaukee had approved a petition from property owners in 2013 to create a Business Improvement District for the purpose of revitalizing and improving the 13<sup>th</sup> and Oklahoma BID #50. In 2014, the City of Milwaukee adopted and approved Business Improvement District #50. 2015 was BID #50’s first funded year in operation.

## **II. DISTRICT BOUNDARIES**

The area of the BID is along South 13<sup>th</sup> Street from Cleveland to Morgan, and on West Oklahoma Avenue from Chase Avenue to South 15<sup>th</sup> Street.

Boundaries of the proposed district are described in Appendix A of this plan. A listing of the assessed properties included in the district is provided in Appendix B.

## **III. PROPOSED OPERATING PLAN**

### **A. Plan Objectives**

The objective of the BID 50 is to serve as a tool and mechanism for local business to impact positive change and revitalization of their commercial corridors. In addition to being a strong advocate and promoter of area business, the BID 50 has defined public safety & security, beautification improvements, district wide promotion and community partnerships as its main areas of concern within its boundaries. It is through these four major areas of focus that the BID 50 plans to positively impact the economic development of the district itself, and the greater Milwaukee region.

### **Proposed Activities – Year Five, 2018**

Principle activities to be engaged in by the BID during the fourth year of operation, 2018, will include:

- 1) Marketing and Promotion of the District through:
  - a. Business development workshops
  - b. Website and Social Media Campaigns
  - c. Community Partnerships
- 2) Commercial District Beautification Enhancement Projects & Programs
  - a. Collaborative Public Mural/Art Installations
  - b. Continuation of the BID 50 Beautification Improvement Matching Grant Program
  - c. Corridor Cleanup programs with area businesses and residents
- 3) Improve Crime and Safety in the district
  - a. Continuation of the BID 50 Security Improvement Matching Grant Program
  - b. Community Collaborations in Public Safety (Partnership with Operation Impact)

**B. Proposed Expenditures – Year Four, 2018**

<b>13th &amp; W OKBID Proposed Budget– 2018</b>	
<b>Expense Category</b>	<b>Budget</b>
District Marketing & Promotion	6,500.00
Beautification and Commercial District Enhancement Projects	9,000.00
Public Safety, Security & Community Partnerships	8,000.00
Operational Expense (Accounting, Annual Audit, & Insurance)	6,000.00
Administration	12,000.00
<b>Total</b>	<b>41,500.00</b>

**C. Financing Method**

It is proposed to raise approximately \$41,567.46 through BID assessments. The BID Board shall have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available.

**D. Organization of BID Board**

The Mayor will continue to appoint members to the BID board ("board"). The board's primary responsibility will be implementation of this Operating Plan. This will require the board to negotiate with providers of services and materials to carry out the Plan; to enter into various contracts; to monitor development activity; to periodically revise the Operating Plan; to ensure district compliance with the provisions of applicable statutes and regulations; and to make reimbursements for any overpayments of BID assessments.

State law requires that the board be composed of at least five members and that a majority of the board members be owners or occupants of property within the district. It is recommended that the BID board be structured and operate as follows:

1. Board size – Six.
2. Composition - At least three members shall be owners or occupants of property within the district. Any non-owner or non-occupant appointed to the board shall be a resident of the City of Milwaukee. The board shall elect its Chairperson from among its members.
3. Term - Appointments to the board shall be for a period of three years except that initially two members shall be appointed for a period of three years, two members shall be appointed for a period of two years, and one member shall be appointed for a period of one year.

4. Compensation – None

5. Meetings - All meetings of the board shall be governed by the Wisconsin Open Meetings Law.

6. Record Keeping - Files and records of the board's affairs shall be kept pursuant to public record requirements.

7. Staffing - The board may employ staff and/or contract for staffing services pursuant to this Plan and subsequent modifications thereof.

8. Meetings - The board shall meet regularly, at least twice each year. The board shall adopt rules of order (“by laws”) to govern the conduct of its meetings.

**BID 50 Board Members**

Robert Montemayor – Chair

Parminder Singh

Ambrocio Chairez

Jack Green

Khawar Khaliq

Araceli Santoyo

**E. Relationship to the Airport Gateway Business Association**

The BID shall be a separate entity from the Airport Gateway Business Association, notwithstanding the fact that members, officers and directors of each may be shared. The Association shall remain a private organization, not subject to the open meeting law, and not subject to the public record law except for its records generated in connection with the BID board. The Association may, and it is intended, shall, contract with the BID to provide services to the BID, in accordance with this Plan.

**IV. METHOD OF ASSESMENT**

**A. Assessment Rate and Method**

The principle behind the assessment methodology is that each property should contribute to the BID in proportion to the benefit derived from the BID. After consideration of other assessment methods, it was determined that assessed value of a property was the characteristic most directly related to the potential benefit provided by the BID. Therefore, a fixed assessment on the assessed value of the property was selected as the basic assessment methodology for this BID.

However, maintaining an equitable relationship between the BID assessment and the expected benefits requires an adjustment to the basic assessment method. To prevent the disproportional assessment of a small number of high value properties, a maximum assessment of \$1,500 per parcel, and a minimum assessment of \$150 will be applied.

As of January 1st, 2017, the commercial property in the proposed district had a total assessed value of over \$44,100,000. This plan proposes to assess the property in the district at a rate of \$1.10 per \$1,000.00 of assessed value, subject to the maximum assessment, for the purposes of the BID.

Appendix B shows the projected BID assessment for each property included in the district.

## **B. Excluded and Exempt Property**

The BID law requires explicit consideration of certain classes of property. In compliance with the law the following statements are provided.

1. State Statute 66.1109(1) (f) Im: The district will contain property used exclusively for manufacturing purposes, as well as properties used in part for manufacturing. These properties will be assessed according to the method set forth in this plan because it is assumed that they will benefit from development in the district.
2. State Statute 66.1109(5) (a): Property known to be used exclusively for residential purposes will not be assessed; such properties will be identified as BID Exempt Properties in Appendix C, as revised each year.
3. In accordance with the interpretation of the City Attorney regarding State Statute 66.1109(1) (b), property exempt from general real estate taxes has been excluded from the district. Privately owned tax-exempt property adjoining the district and which is expected to benefit from district activities may be asked to make a financial contribution to the district on a voluntary basis.

## **V. RELATIONSHIP TO MILWAUKEE COMPREHENSIVE PLAN AND ORDERLY DEVELOPMENT OF THE CITY**

### **A. City Plans**

In February 1978, the Common Council of the City of Milwaukee adopted a Preservation Policy as the policy basis for its Comprehensive Plan and as a guide for its planning, programming and budgeting decisions. The Common Council reaffirmed and expanded the Preservation Policy in Resolution File Number 881978, adopted January 24, 1989.

The Preservation Policy emphasizes maintaining Milwaukee's present housing, jobs, neighborhoods, services, and tax base rather than passively accepting loss of jobs and population, or emphasizing massive new development. In its January 1989 reaffirmation of the policy, the Common Council gave new emphasis to forging new public and private partnerships as a means to accomplish preservation.

The district is a means of formalizing and funding the public-private partnership between the City and property owners in the 13<sup>th</sup> & W Oklahoma BID #50 area and for furthering preservation and redevelopment in this portion of the City of Milwaukee. Therefore, it is fully consistent with the City's Comprehensive Plan and Preservation Policy.

### **B. City Role in District Operation**

The City of Milwaukee has committed to helping private property owners in the district promote its development. To this end, the City is expected to play a significant role in the creation of the Business Improvement district and in the implementation of the Operating Plan. In particular, the City will:

1. Provide technical assistance to the proponents of the district through adoption of the Plan, and provide assistance as appropriate thereafter.
2. Monitor and, when appropriate, apply for outside funds that could be used in support of the District's efforts.
3. Collect assessments, maintain in a segregated account, and disburse the monies of the district.
4. Receive annual audits as required per sec. 66.1109 (3) (c) of the BID law.
5. Provide the board, through the Tax Commissioner's Office on or before July 31st of each Plan year, with the official City records and the assessed value of each tax key number with the district, as of January 1<sup>st</sup> of each Plan year, for purposes of calculating the BID assessments.
6. Encourage the State of Wisconsin, Milwaukee County and other units of government to support the activities of the district.

## **VI. BID Board and Plan Review Process**

Section 66.1109 (3) (a) of the BID law requires the board and the City to annually review and make changes as appropriate in the Operating Plan;

*"a. The chief executive officer shall appoint members to a business improvement district board to implement the operating plan. Board members shall be confirmed by the local legislative body and shall serve staggered terms designated by the local legislative body. The board shall have at least 5 members. A majority of board members shall own or occupy real property in the business improvement district.*

*b. The board shall annually consider and may make changes to the operating plan, which may include termination of the plan, for its business improvement district. The board shall then submit the operating plan to the local legislative body for its approval. If the local legislative body disapproves the operating plan, the board shall consider and may make changes to the operating plan and may continue to resubmit the operating plan until local legislative body approval is obtained. Any change to the special assessment method applicable to the business improvement district shall be approved by the local legislative body.*

*c. The board shall prepare and make available to the public annual reports describing the current status of the business improvement district, including expenditures and revenues. The report shall include an independent certified audit of the implementation of the operating plan obtained by the municipality. The municipality shall obtain an additional independent certified audit upon termination of the business improvement district.*

*d. Either the board or the municipality, as specified in the operating plan as adopted, or amended and approved under this section, has all powers necessary or convenient to implement the operating plan, including the power to contract."*

### **Board Member Appointments:**

- a. BID Board nomination letter and resume must be submitted to the Department of City Development's BID staff for review. All nominations must be current on property tax and building code violations.
- b. Department of City Development will review and submit the referred BID Board nominees, if findings are satisfactory.
- c. All BID Board referrals are reviewed by the Mayor's Office; if approved by the Mayor, the BID Board appointments are submitted to the Common Council for introduction and referral to the appropriate committee.

- d. The Common Council will refer BID Board appointments to the Community and Economic Development Committee. (CED) If approved by the CED committee, the BID Board appointments are referred to the Common Council for approval.
- e. The City Clerk or designee must swear in all newly appointed BID Board members at the first scheduled business meeting.
- f. After the members are sworn the BID Board can hold its first official BID meeting.

**Board Resignations/Termination**

- a. BID Board officer or BID designee must submit board member's letter of resignation to the Mayor's Office upon expiration of term or member resignation

**B. Terminating or Dissolving the BID**

A municipality shall terminate a business improvement district if the owners of property assessed under the operating plan having a valuation equal to more than 50% of the valuation of all property assessed under the operating plan, using the method of valuation specified in the operating plan, or the owners of property assessed under the operating plan having an assessed valuation equal to more than 50% of the assessed valuation of all property assessed under the operating plan, file a petition with the planning commission requesting termination of the business improvement district, subject to all of the following conditions:

- (a) A petition may not be filed under this subsection earlier than one year after the date the municipality first adopts the operating plan for the business improvement district.
- (b) On and after the date a petition is filed under this subsection, neither the board nor the municipality may enter into any new obligations by contract or otherwise to implement the operating plan until the expiration of 30 days after the date of hearing under par. (c) and unless the business improvement district is not terminated under par. (e).
- (c) Within 30 days after the filing of a petition under this subsection, the planning commission shall hold a public hearing on the proposed termination. Notice of the hearing shall be published as a class 2 notice under ch. 985. Before publication, a copy of the notice together with a copy of the operating plan and a copy of a detail map showing the boundaries of the business improvement district shall be sent by certified mail to all owners of real property within the business improvement district. The notice shall state the boundaries of the business improvement district and shall indicate that copies of the operating plan are available from the planning commission on request.
- (d) Within 30 days after the date of hearing under par. (c), every owner of property assessed under the operating plan may send written notice to the planning commission indicating, if the owner signed a petition under this subsection, that the owner retracts the owner's request to terminate the business improvement district, or, if the owner did not sign the petition, that the owner requests termination of the business improvement district.
- (e) If after the expiration of 30 days after the date of hearing under par. (c), by petition under this subsection or subsequent notification under par. (d), and after subtracting any retractions under par. (d), the owners of property assessed under the operating plan having a valuation equal to more than 50% of the valuation of all property assessed under the operating plan, using the method of valuation specified in the operating plan, or the owners of property assessed under the operating plan having an assessed valuation equal to more than 50% of the assessed valuation of all property assessed under the operating plan, have requested the termination of the business

improvement district, the municipality shall terminate the business improvement district on the date that the obligation with the latest completion date entered into to implement the operating plan expires.

## **VII. FUTURE YEAR OPERATING PLANS**

### **A. Phased Development**

It is anticipated that the BID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in this initial Operating Plan.

Section 66.1109 (3) (a) of the BID law requires the board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms the complete development program, it focuses upon Year Ten activities, and information on specific assessed values, budget amounts and assessment amounts are based on Year Ten conditions. Greater detail about subsequent year's activities will be provided in the required annual Plan updates, and approval by the Common Council of such Plan updates shall be conclusive evidence of compliance with this Plan and the BID law.

In later years, the BID Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the consent of the City of Milwaukee.

### **B. Amendment, Severability and Expansion**

This BID has been created under authority of Section 66.1109 of the Statutes of the State of Wisconsin. Should any court find any portion of this Statute invalid or unconstitutional its decision will not invalidate or terminate the BID and this BID Plan shall be amended to conform to the law without need of reestablishment.

Should the legislature amend the Statute to narrow or broaden the process of a BID so as to exclude or include as assessable properties a certain class or classes of properties, then this BID Plan may be amended by the Common Council of the City of Milwaukee as and when it conducts its annual Operating Plan approval and without necessity to undertake any other act. This is specifically authorized under Section 66.1109(3)(b).
