

May 2, 2002

To the Honorable Common Council
Zoning, Neighborhoods and
Development Committee
City of Milwaukee

Dear Committee Members:

Attached is File No. 020072, being a resolution permitting a minor modification to the Detailed Planned Development (DPD) known as Highbridge Condominiums, located at 1888 North Water Street, in the 3rd Aldermanic District.

This modification will allow for the installation of a personal wireless facility consisting of concealed antennas and equipment within an extension of the stairwell area.

On April 29, 2002, this resolution was scheduled for recommendation by the Commission. Since this proposed minor modification is consistent with the City plans for the area and the planned development, the City Plan Commission at its regular meeting on April 29, 2002 recommended approval of the attached resolution conditioned working with staff regarding the details of the treatment of the roof extension and capping at the stairwell.

Sincerely,

Julie A. Penman
Executive Secretary
City Plan Commission of Milwaukee
