### LICENSED PREMISE REPORT

Bui, David D 028444

11/14/2024

This report is written by P.O. David BUI, assigned to District Three, Early Power Shift, SQUAD 3245

On Thursday, November 14, 2024, I was dispatched to a Battery complaint at the address of 1319 W North Av (Citgo Gas Station), which is in the City and County of Milwaukee.

Upon my arrival, I called the victim, Shatara S SCOTT (b/f 2-26-03), who informed me that while she was at the location an unknown subject hit her to the left side of her neck. Shatara stated while the suspect was fleeing from the location the security gate was closing, and she believed the gate also hit her in the head. Shatara stated she is currently at Mt Sinai Hospital for treatment. Shatara stated she never seen the suspect before and believe that she was at the wrong place at the wrong time while the suspect tried to escape, she accidently was in his way. It should be noted I finished my interview with Shatara at Mt Sinai Hospital.

Officers continued their investigation based off Shatara's statement and review footage at the location. Officers spoke to the clerk, Sukhvinder S GILL (w/m 3-5-55) regarding the incident. Sukhvinder stated while he was working an unknown subject attempted to steal a few bags of chips on his way out of the gas station. Sukhvinder stated as the suspect was fleeing from the location the suspect punched an unknown female. Sukhvinder stated for the safety of his store and costumers he activated the security gate to close, preventing the suspect from entering.

I reviewed video surveillance footage regarding the incident. I observed a subject, described as a black male, slim build, long hair, last seen wearing a blue jacket exiting the gas station. As the suspect was exiting the gas station, I observed the suspect grabbing two bag of chips and walking out. I observed

Shatara entering into the location and without any warning the suspect punched Shatara once to the left side of her neck. I observed the suspect then fleeing the location in a red unknown make and model 4dr vehicle with no plates.

While on scene, I observed the licenses posted and they were up to date.

During my investigation for battery, I did not observe any violations in the licensed premise.

On Thursday, December 19th, 2024, at approximately 9:05am, P.O Liam PEDERSON and I conducted a business check for holiday presence DPM. Upon my arrival I saw an open business with no violation on the outside of the establishment.

I spoke with the clerk for a brief period of time and asked if there had been any incidents he wished to report. The clerk stated to me that there was no incident to report at the time officers came into the establishment. The clerk was not identified on scene and officers left the location after viewing their licenses.

I did not review any video footage of the location, as it was unneeded for my investigation, but I have review footage from this location in previous incident which the establishment was more than welcome to assist in these investigations.

This report is written by Police Officer Demetrious HUDSON assigned to District 3, Day Shift.

On Wednesday, January 22nd, 2024, my partners Police Officer KING (Sq: 3271), Police Officer CRUZ (Sq: 3274), Police Officer SANDERS (Sq: 3264) and I (Sq: 3172) conducted follow-up visit at the location of 1319 W. North Avenue (North Avenue Petro Mart), in the city and county of Milwaukee, Wisconsin.

Upon arrival, we observed two individuals outside the location who didn't appear as if they worked at the location. One individual was actively smoking a substance and was told to leave the premises and the other subject didn't leave. The second subject stayed on scene in front of the entrance the entire time we were there.

While inside the store, the location did appear clean and I didn't observe anyone lurking behind shelves or anyone who appeared to be security.

We spoke with the cashier who called the licensee brother. I stated we are looking for the licensee and was told his name is "Gary." I was given a phone number of 414-467-2795.

I called Mr. Gary, and left a message for him to call me back, however I didn't receive a call back.

I did not observe the licenses posted, but was advised that they are posted behind the door that separates the employees from the customers.

It should also be noted this location is in a nuisance status with an accepted abatement plan per Captain Bratchett

## Initial Investigation:

Upon arrival, we observed a small amount of customers at the establishment who were conducting standard business. We made contact with the security guard, who was identified as Carey W MORRIS Sr. (B/M, 7/29/1982). MORRIS stated that an unidentified female (Subject 1 and believed to be MORRIS's ex-girlfriend) was at pump 3 earlier in the night and had saw him pull into the gas station with another unidentified female (Subject 2) in his car. MORRIS stated that Subject 1 approached him in his vehicle to confront him and Subject 2, and to let Subject 2 know that MORRIS was talking about her earlier in the night. MORRIS stated that Subject 1 struck him in the right cheek, but did not cause any pain, nor did Officers observe any marks or scratches. MORRIS stated that another unidentified female (Subject 3) in Subject 1's vehicle pulled a gun on him, before Subject 1 and Subject 3 fled from the scene.

Officers spoke with the main cashier of the facility, who identified himself as Mohit KUMAR (A/M, 5/5/2000). KUMAR stated he did not see the incident take place and that MORRIS was not seen at work until the time that the incident took place. KUMAR was cooperative with the investigation.

The establishment had multiple security cameras that were functional during the time of the incident.

Officers requested to see the footage of the incident in which KUMAR was again cooperative.

Camera footage revealed MORRIS arriving at the gas station moments before the incident took place. MORRIS was scene entering the business's parking lot from W North Ave. and at a high rate of speed. MORRIS was scene parking his vehicle, and Subject 1 is seen approaching the driver side window to the vehicle. It appeared as if Subject 1 was speaking to both MORRIS and Subject 2 for approximately 1-2 minutes before MORRIS is seen throwing his door open and Subject 1 is seen running back towards her vehicle. MORRIS is scene approaching Subject 1's car at a fast pace, and Subject 3 is scene coming around the vehicle with what appeared to be a firearm in her hand. A verbal altercation takes place before Subject 1 and Subject 3 get into their vehicle and leave the scene. Subject 3 only had the firearm in her hand is not seen waving or pointing the firearm at any point during the incident. Officers were also not able to see Subject 1 strike MORRIS at any point.

MORRIS was provided with restraining order information.

### LICENSED PREMISE REPORT

Hudson, Demetrious J 026335

05/21/2025

This report is written by Police Officer HUDSON assigned to District 3, Day Shift.

On Wednesday, May 21st, 2025, at approximately 4:11 PM, my partner Police Officer Jazzmin KING (SQ: 3271) and I (SQ: 3172) were dispatched to the location of 1319 W North Avenue, in the City and County of Milwaukee, Wisconsin for a Business Check.

It should be noted, we were in full duty uniform with our operational body worn cameras affixed to our outer vest carrier. Additionally, I was aware the location licenses expired on Tuesday May 20th, 2025, and I was informed by Captain Bratchett that the "Provisional Licenses," had not been granted.

### Observation of Location:

Upon arrival, I observed multiple cars in the parking lot at the gas pumps and people coming and going from the front entrance. I observed a guy coming from inside the gas station with bags appearing as if he is cleaning the parking lot or changing the garbage's in the parking lot.

Upon arrival, I observed the parking lot to be clean and no one loitering in the parking lot. I observed the inside of the location to be clean and well-kept and I didn't observe anyone loitering in the rear of the business.

---

I did not observe the licenses posted in a place that was visible to the public as the licenses were posted behind the door that separates employees from the public.

We entered the location, and I spoke with the owner of the building identified by Wisconsin Driver Licenses Bachan SINGH (W/M 01/06/1955 DL: S520-0605-5006-09). I asked SINGH if the place was open and he responded it was. I asked SINGH if the place has been open all day and he said yes.

I then informed him that the location licenses were not renewed, and the location was in violation and should close. I informed SINGH that the licenses hearing expired and the next court date is June 20th, 2025. SINGH called the licensee identified as Nagra GURINDER (A/M....) who stated that he and alderman stamper met and the provisional license was to be approved.

I informed SINGH that the licenses were not approved, and they were to shut down. I also informed SINGH that I would be issuing GURINDER a citation regarding the operation of a business without a valid license.

The licenses I observed expired on Tuesday, May 20th, 2025, were as follows:

- Food Dealer Licenses ex: 5/20/2025
- Weight and Measures ex: 05/20/2025
- Cigarette and Tobacco ex: 05/20/2025
- Filling Station ex: 05/20/2025
- Extended hours ex: 05/20/2025
