Retain in place a faux-stone vinyl fence along the side yard and rear alley side of the property. The fence significantly predates the purchase by the current owners.

6/5/2025

Under the provisions of s. 320-21-11.5 of the Milwaukee Code of Ordinances, the Milwaukee Historic Preservation Commission has found that all requirements have been met to retain work that does not otherwise meet the established standards and guidelines for work at a historic property. The subject improvement is only permitted to remain for the lifetime of the products involved and cannot be replaced in kind. All future work must be compliant with guidelines in effect at the time such work is executed.

The following conditions apply to this Certificate of Repose:

The fence in the side yard be lowered to 4' solid or 4' solid with up to 2' with at least 50% open design on top or BOZA approval of a 6' solid fence in side yard.

Please retain this document for your records and contact your assigned building inspector (and judge, if any) so that your cases can be closed.

Retroactive permits may still be required and you are responsible for obtaining them from the Milwaukee Development Center. If you have questions about permit requirements, please consult the Development Center's web site, <https://city.milwaukee.gov/DNS/permits>, or call (414) 286-8210.
