To the Honorable, the Common Council

Subject: A resolution to authorize the renaming of a private right-of-way from:
North Rockway Court to North Will Enterprise Court in the 9th Aldermanic District

Dear Council Members:

On October 10, 1989, the Common Council adopted Resolution File Number 891061 directing the City to recognize North Rockway Court as a private street in the City of Milwaukee. This private street is located south of West Calumet Road and west of South 84th Street. This private street services the property located at 7474 North Rockway Court. The current owner of the property is requesting that this private street be renamed North Will Enterprise Court. The location and width of the new private street will not change from the existing street location.

Under Chapter 113-1-4 of the Milwaukee Code of Ordinances, before house numbers can be assigned to buildings fronting on private rights-of-way, the street name must be established by the Common Council. With the adoption of the street name resolution, addresses can be assigned. These addresses will support mail delivery as well as improve fire and police service.

We have prepared, and recommend adoption of, the attached resolution, which will rename North Rockway Court, a private street, to North Will Enterprise Court.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
