To: City of Milwaukee License
Committee

Re: Upper Yard Restaurant and
Bar
4943-47 W. Fond du Lac
Ave Milwaukee, Wis 53216

From: Lee Beans, subject to
Upper Yard Restaurant
and Bar renewal of
license.

Upper Yard (bar concoctions and
Upper Yard restaurant was
busted selling liquor/supplying
liquor to concoctions bar @
4943 W. Fond du Lac Milw by
Georgia Ann King of WIS
Alcohol tobacco and beverage
This information was provided
to the license committee

manager etc. This committee
with Alderman Ramey contrave
to break the law. They give
license / renew license for
some and deny others.
Ex: Taste of Soul was denied
a liquor license by this
committee for getting busted
selling liquor w/o license.

But this committee gave Upper
Yard a liquor license to
sell liquor and Concoction's
bar @ Brady and Tropic Mke to
sell liquor and they were
busted by the state in general
all of year. @ hearing last year.

Also, this committee is allowing
Upper Yard to sell liquor within ⁽¹²⁰⁾
300 feet of my Church building ^{at church}
of 30 years. This committee would
allow this to happen next door
to: Jewish Church / Lutheran or Catholic.
Respect the Black Church and the
City / State law - separate Church
Bar.

This letter of objection is
for the Committee and all
parties concerned.

Lee Beard
