Dear Council Members:

Hupy & Abraham, S.C. alleges that on May 21, 2020 their client sustained injuries when the tire of his bicycle caught in the streetcar tracks while he was traveling westbound on East St. Paul Avenue. Claimed damages total \$50,000.00.

The Infrastructure Services Division indicates that the streetcar tracks on westbound East St. Paul Avenue were constructed in accordance with the standard specifications, plans, and accepted standards for streetcar infrastructure. This project was constructed and completed under a City of Milwaukee contract. The work was performed by Kiewit Infrastructure Company.

of the City of Milwaukee

There is no evidence that the City was negligent. Therefore, we recommend that this claim be denied.
