Mr. Tony Zielinski
Common Council Administration Manager
City Clerk's Office
City Hall, Room 205

Dear Mr. Zielinski:

The Health Department is submitting grant resolutions for the following programs:

Breast Cancer Awareness Program Grant - This is a continuing grant funded by the State of Wisconsin Division of Health and Family Services. The purpose of the program is to educate and motivate women to take decisive actions that will prevent premature death and disability due to breast cancer. There are minor position changes from the prior year's funding.

MBCAP- Well Women Health Initiative Grant-This is a continuing grant funded by the State of Wisconsin Division of Health and Family Services. Grant funds will be used to expand the scope of the Wisconsin Women's Cancer Control Program beyond its current focus of breast and cervical cancer screening to include health promotion and risk reduction for cardiovascular disease, osteoporosis, diabetes, mental illness and domestic violence. Minor funding changes in positions are part of this resolution.

Prenatal Outreach in Non-Traditional Sites Grant - This is new funding for the Health Department from the March of Dimes. The funding will be used for an outreach worker to target non-traditional settings for reaching women who otherwise might not get into care during their pregnancy or who have not been receiving pediatric care. A new position is created with this funding.

Access to Water Quality Information Grant - This is new funding from the Wisconsin Department of Administration - Wisconsin Coastal Management Program. This project will maintain a website at the United States Geological Survey which will contain beach water quality information for Milwaukee public beaches, as well as other lakeshore beaches in Southeastern Wisconsin.

Alcohol-related STD/HIV Risk Counseling Grant - This new funding from the Medical College of Wisconsin will be used to compare routine sexually transmitted disease and HIV prevention counseling with an enhanced form of counseling specially designed for people with alcohol-use disorders. A new position is created with this funding.

All appropriate paperwork is attached. Thank you for your consideration.

Sincerely,

Janet Nell
Administrative Assistant-Sr.
