To the Public Works Committee

Subject: Common Council Resolution File Number 131754

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 131754, being a resolution to grant a special privilege to Carnal LLC to construct and maintain a removable deck for curbside dining in the public right-of-way for the premises at 320 East Menomonee Street

The applicant is requesting permission to construct and maintain one moveable patio deck in the north parking land of East Menomonee Street in order to provide an area for curbside dining. The attached special privilege resolution requires that the platform be removed from the public right-of-way between November 16th and March 14th of each year so that the structure does not interfere with snow removal operations. The patio deck, which is comprised of elevated stage platforms on legs approximately 6 inches tall, is surrounded on three sides by a metal railing to serve as a barrier between traffic and patrons.

We are not aware that the presence of said patio deck will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said patio deck to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
