I. INTRODUCTION

A. BACKGROUND

In 1984, the Wisconsin legislature created 66.1109 (formerly S. 66.608) of the Statutes (see Appendix A) enabling cities to establish Business Improvement Districts (BIDs). The purpose of the law is “to allow businesses within those districts to develop, to manage and promote the districts and to establish an assessment method to fund these activities.” (1983 Wisconsin Act 184, Section 1, legislative declaration.)

The City of Milwaukee created Business Improvement District No. 28 (“BID-28”) and approved its initial operating plan via Common Council Resolution No. 020830, adopted by reference November 6, 2002. (Appendix, Exhibit B) Since 2003, BID-28 has submitted yearly-amended plans adding and modifying its plan objectives as part of its ongoing management and promotion of the district, including in some instances its financing arrangements and assessment methodologies. This amended Plan shall govern operation of BID-28 during calendar year 2026.

B. PHYSICAL SETTING

The District covers a commercial area on North Avenue from 27th St west to Sherman Blvd.

II. DISTRICT BOUNDARIES

Boundaries of the proposed district are shown on the map in Appendix C of this plan. A listing of the properties included in the district is provided in Appendix D.

III. PROPOSED OPERATING PLAN

A. PLAN OBJECTIVES

The objective of the BID is to:

- Improve the Image of the District.

- Ensure that the BID is transparent, accountable, and well-governed.

B. PROPOSED ACTIVITIES – 2026

Principal activities to be engaged in by the district during 2026 will include:

IV. FINANCING METHOD

It is proposed to raise \$42,499.45 through BID assessments (see Appendix D). The BID Board shall have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds available.

V. ORGANIZATION OF BID BOARD

The Mayor will appoint members to the District Board ("Board"). The Board's primary responsibility is to implement this Operating Plan. This will require the Board to negotiate with providers of services and materials to carry out the Plan; to enter into various contracts; to monitor development activity; to periodically revise the Operating Plan; to ensure district compliance with the provisions of applicable statutes and regulations; and to make reimbursements for any overpayments of BID assessments.

State law requires that the Board be composed of at least five members and that a majority of the Board members be owners or occupants of property within the district.

The North Avenue Gateway BID Board is structured and operates as follows:

1. **Board Size:** At least five and up to 11 Members
2. **Board Composition:** At least 4 members shall be owners or occupants of property within the district. Any non-owner or non-occupant appointed to the Board shall be a resident of the City of Milwaukee.
3. **Officer Elections:** The Board shall elect its Officers – Chairman, Vice-Chairman, Secretary and Treasurer - from among its members.
4. **Board Term:** Appointments to the Board shall be for a period of three years.

5. **Compensation:** Board members shall receive a \$20.00 stipend for attending board meetings. from the North Avenue Gateway BID for being an active board member.
6. **Meetings:** All meetings of the Board shall be governed by the Wisconsin Open Meetings Law. The Board shall meet regularly, at least twice each year. The Board shall adopt rules of order (“by laws”) to govern the conduct of its meetings. The Board may call special meetings if need to meet crucial deadlines.
7. **Record Keeping:** Files and records of the Board's affairs shall be kept pursuant to public record requirements.
8. **Staffing:** The Board may employ staff and/or contract for staffing services pursuant to this Plan and subsequent modifications thereof.

VI. METHOD OF ASSESMENT

A. ASSESSMENT RATE AND METHOD

The principle behind the assessment methodology is that each property should contribute to the BID in proportion to the benefit derived from the BID. After consideration of other assessment methods, it was determined that assessed value of a property was the characteristic most directly related to the potential benefit provided by the BID. Therefore, a fixed assessment on the assessed value of the property was selected as the basic assessment methodology for this BID.

However, maintaining an equitable relationship between the BID assessment and the expected benefits requires an adjustment to the basic assessment method. To prevent the disproportional assessment of a small number of low value properties, a minimum of \$500 per parcel and a maximum of \$1,600.00 will be applied based on the needs of the BID.

As of January 1, 2026, the property in the proposed district had a total assessed value of \$13,595,511.00. This plan proposed to assess the property in the district at a rate of \$5.50 per \$1,000.00 of assessed value, subject to the maximum assessment, for the purposes of the BID. Appendix A shows the projected BID assessment for each property included in the district.

B. EXCLUDED AND EXEMPT PROPERTY

The BID law requires explicit consideration of certain classes of property. In compliance with the law the following statements are provided.

1. State Statute 66.1109(1) (f) 1m: The district will contain property used exclusively for manufacturing purposes, as well as properties used in part for manufacturing. These properties will be assessed according to the method set forth in this plan because it is assumed that they will benefit from development in the district.
2. State Statute 66.1109(5) (a): Property known to be used exclusively for residential purposes will not be assessed; such properties will be identified as BID Exempt Properties in Appendix D, as revised each year.
3. In accordance with the interpretation of the City Attorney regarding State Statute 66.1109(1) (b), property exempt from general real estate taxes has been excluded from the district. Privately owned tax-exempt property adjoining the district and which is expected to benefit from district activities may be asked to make a financial contribution to the district on a voluntary basis.

VII. RELATIONSHIP TO MILWAUKEE COMPREHENSIVE PLAN AND ORDERLY DEVELOPMENT OF THE CITY

A. CITY PLANS

In February 1978, the Common Council of the City of Milwaukee adopted a Preservation Policy as the policy basis for its Comprehensive Plan and as a guide for its planning, programming and budgeting decisions. The Common Council reaffirmed and expanded the Preservation Policy in Resolution File Number 881978, adopted January 24, 1989.

The Preservation Policy emphasizes maintaining Milwaukee's present housing, jobs, neighborhoods, services, and tax base rather than passively accepting loss of jobs and population or emphasizing massive new development. In its January 1989 reaffirmation of the policy, the Common Council gave new emphasis to forging new public and private partnerships as a means to accomplish preservation.

The district is a means of formalizing and funding the public-private partnership between the City and property owners in the North Avenue Gateway BID 28 business area and for furthering preservation and redevelopment in this portion of the City of Milwaukee. Therefore, it is fully consistent with the City's Comprehensive Plan and Preservation Policy.

B. CITY ROLE IN DISTRICT OPERATION

The City of Milwaukee has committed to helping private property owners in the district promote its development. To this end, the City expected to play a significant role in the creation of the Business Improvement district and in the implementation of the Operating Plan. In particular, the City will:

1. Provide technical assistance to the proponents of the district through adoption of the Plan, and provide assistance as appropriate thereafter.
2. Monitor and, when appropriate, apply for outside funds that could be used in support of the district.
3. Collect assessments, maintain in a segregated account, and disburse the monies of the district.
4. Receive annual audits as required per sec. 66.1109 (3) (c) of the BID law.
5. Provide the Board, through the Tax Commissioner's Office on or before June 30th of each Plan year, with the official City records and the assessed value of each tax key number with the district, as of January 1st of each Plan year, for purposes of calculating the BID assessments.
6. Encourage the State of Wisconsin, Milwaukee County and other units of government to support the activities of the district.

VIII. FUTURE YEAR OPERATING PLANS

A. EARLY TERMINATION OF THE DISTRICT

The City shall consider terminating the District if the owners of property assessed under the Operating Plan having a valuation equal to more than 50% of the valuation of all property assessed under the Operating Plan, using the method of valuation specified herein, or the owners of property assessed under the Operating Plan having an assessed valuation equal to more than 50% of the assessed valuation of all property assessed under the Operating Plan, file a petition with the City Plan Commission requesting termination of the District. On or after the date such a petition is filed, neither the Board nor the City may enter into any new obligations by contract or otherwise until the expiration of thirty (30) days after the date a public hearing is held and unless the District is not terminated.

Within thirty (30) days after filing of a petition, the City Plan Commission shall hold a public hearing on the proposed termination. Notice of the hearing shall be published as a Class 2 notice. Before publication, a copy of the notice with a copy of the Operating Plan and a copy of the detail map showing the boundaries of the District shall be sent by certified mail to all owners of real property within the District.

Within thirty (30) days after the date of such hearing, every owner of property assessed under the Operating Plan may send a written notice to the City Plan Commission indicating, if the owner signed a petition, that the owner retracts the owner's request to terminate the District or, if the owner did not sign the petition, that the owner requests termination of the District.

If, after the expiration of thirty (30) days after the date of the public hearing, by petition or subsequent notification and after subtracting any retractions, the owners of property assessed under the Operating Plan having a valuation equal to more than 50% of the valuation of all property assessed under the Operating Plan, using the method of valuation specified in the Operating Plan, or the owners of property assessed under the Operating Plan having an assessed valuation equal to more than 50% of the assessed valuation of all properties assessed under the Operating Plan have requested the termination of the District, the City shall terminate the District on the date that the obligation with the latest completion date entered into to implement the Operating Plan expires.

B. PHASED DEVELOPMENT

It is anticipated that the BID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in this initial Operating Plan.

Section 66.1109 (3) (a) of the BID law requires the Board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms the complete development program, it focuses upon Year One activities, and information on specific assessed values, budget amounts and assessment amounts are based on Year One conditions. Greater detail about subsequent year's activities will be provided in the required annual Plan updates, and approval by the Common Council of such Plan updates shall be conclusive evidence of compliance with this Plan and the BID law.

In later years, the BID Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the consent of the City of Milwaukee.

C. AMENDMENT, SEVERABILITY AND EXPANSION

This BID has been created under authority of Section 66.1109 of the Statutes of the State of Wisconsin. Should any court find any portion of this Statute invalid or unconstitutional its decision will not invalidate or terminate the BID and this BID Plan shall be amended to conform to the law without need of reestablishment.

Should the legislature amend the Statute to narrow or broaden the process of a BID so as to exclude or include as assessable properties a certain class or classes of properties, then this BID Plan may be amended by the Common Council of the City of Milwaukee as and when it conducts its annual Operating Plan approval and without necessity to undertake any other act. This is specifically authorized under Section 66.1109(3)(b).
