Subject: Street car

Hi Oscar,

I sent a note to Alderman Perez regarding street car and wanted to be sure I sent my position to the Mayor. Contact me if you need anything else.

I am in support of the Milwaukee street car proposal.

As the anchor to Milwaukee's Lincoln Village on the south, the Basilica is a national historical landmark site and a Milwaukee historical landmark. It serves this community through education, weekly food pantry, english as a second language program, youth programs and faith.

The Basilica is Milwaukee's #1 Milwaukee visitor attraction. The Basilica contributes to the economic development of Milwaukee.

As an extension of the lakefront/downtown, Lincoln Village is poised to be the next area for revitalization. The street car would aid in the growth and development of a vital part of our City's history.

The Basilica Foundation has invested nearly \$18 million in the Basilica's preservation and restoration. There is no doubt we are committed to Lincoln Village and Milwaukee's growth.

All my best,
- Susan
