To the Honorable,  
the Common Council  
City of Milwaukee

Dear Council Members:

Re: Transmittal of ordinance  
relative to budgeting & accounting  
procedures for grant projects and  
programs

The attached ordinance relates to the budgeting and accounting procedures for grant projects and programs. Common Council file number 030712 required departments administering a major street and bridge improvement grant to request additional authorization if expenditures exceed the amount authorized for city share by 10% of the total costs or \$5,000, whichever is greater. This ordinance limits the amount to \$150,000.

The ordinance is recommended for adoption.

Very truly yours,

W. MARTIN MORICS  
Comptroller
