Hi Mark,

According to the under writer working on this possible loan, there has been no progress on this project over the last several months. At this time, the project is not moving forward with WHEDA funding.

Hi Meghan:

Can we get an update on this?

Thanks,

Mark

Hi Mark,

I just checked with the underwriter on this project and he's still in the process of getting information from the borrower that he needs for underwriting. The project won't be scheduled for any committee meetings until the underwriting is finished.
