To The Honorable, the Common Council

Subject: Shut down and Cover of a Traffic Control Signal
West Bolivar Avenue and South 6th Street

Dear Council Members:

The traffic control signal at the intersection of West Bolivar Avenue and South 6th Street is unwarranted. The continued operation of the traffic control signal results in a waste of electrical energy, fuel, and maintenance personnel hours, and causes unnecessary delay for pedestrians and vehicles.

We have, therefore, prepared the attached resolution authorizing the Commissioner of Public Works shut down and cover the traffic control signal at West Bolivar Avenue and South 6th Street.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
