Re: Extend Hours License Application for gas station at 9425 W. Brown Deer Rd.

Dear Mr. Singh,

On Wednesday, November 1, 2023 the Granville Advisory Committee met to review the proposal for an Extend Hours License to extend the hours to operate 24 hours per day at the gas station at 9425 W. Brown Deer Rd. Based on the information provided, the Granville Advisory Committee recommended to oppose unanimously the proposal for an Extend Hours License to extend the hours to operate 24 hours per day at the gas station at 9425 W. Brown Deer Rd. The committee's recommendation was based upon committee testimony and concerns regarding past and prevention of future safety and crime incidents at the location and surrounding residential community, especially from undesirable clientele during the extended hours.

The Granville Advisory Committee requests that this advisory recommendation be considered and supported by the Common Council, the Board of Zoning Appeals, the City Planning Commission, appropriate City officials, or other relevant City decision-making bodies on development proposals within the Granville Development District.

The Granville Development Advisory Committee was established to review plans and proposals for redevelopment projects in the Granville Development District for consistency with the goals, needs, and desires of the Granville community and its residents, businesses, property owners and other stakeholders.

The Granville Development District consists of the city of Milwaukee portion of the area bounded by W. County Line Road, W. Good Hope Road, N. 60th Street and N. 107th Street.

If you have any questions, please contact the Staff Assistant to the Committee, Chris Lee, at 414-286-2232, or clee@milwaukee.gov.

Sincerely,

A handwritten signature in black ink, appearing to read 'Natasha Dotson', written in a cursive style.
