Thank you.

For Mr. B's, concerns are with public safety late at night with unruly patrons, parking issues (packing up entire parking lot not leaving room impacting other adjacent business parking on the strip), traffic flow upon closing, and impacting other businesses wanting to come into the mall strip to open up similar venues (banquet halls, assembly halls) where the belief is that these public safety issues will be exacerbated with multiple venues with crowds operating at the same time.

Bellagio – same issues with night clubs – unruly patrons, dangerous incidents, deviation from business plan of a restaurant into a club or entertainment venue, adult entertainment/stripping events, to name a few.

No specific events mentioned – just general concerns expressed by the GAC.

Sincerely,

Chris Lee

Hi Chris,

Mr. B's expires July 13, 2023 but has not filed a renewal. Attached is their most recent application. We will flag their license for a hearing. It would be helpful, for notice purposes, if the committee could share the reasons for their concern.

Bellagio expires August 3, 2023 but has not renewed. We will received the police report once they renew. This is also flagged.

Subject: License inquiries for Granville Advisory Committee

Hi Jim,

Can you or staff provide me with the license renewal info for Mr. B's Social Club at 8617 W Brown Deer Rd?

Granville Advisory Committee has concerns with this establishment and wants to weigh in (provide advisory recommendation – support/opposition) on their renewal license. This would entail the GAC meeting with the licensee on their renewal.

Any way you (or Ald. Taylor's office) can flag this location to notify me (GAC) of their renewal scheduling? Which I will prompt GAC for their review of this location?

Also another location – Bellagio 8665 W Brown Deer Rd is a problem the GAC has concerns with. Understand there's licensing investigation and possible closure of this operation? Again provide latest licensing/renewal info and flagging of said location for GAC's review? This operator was nonresponsive to meet with the GAC and was renewed, I believe, recently. Believe GAC missed the opportunity to provide their position.

BOWLIN stated that before he could read any of the messages, he received a telephone call from the mentioned number in which he answered. BOWLIN stated that when he answered the call WILSON began yelling out profanities towards him and stated,

LICENSE PREMISE REPORT

Enk, Collin J 029963

04/12/2023

This report is written from the investigation of PO Collin ENK and PO Travis CAPELLE (Squad 4474).

On Wednesday, April 12, 2023, PO ENK and PO CAPELLE responded to a Trouble with Subject complaint located at 8617 W Brown Deer Rd which is the Mr B's Lounge. This address is located in both the City and County of Milwaukee, WI.

INVESTIGATION

On the mentioned day, Mr B's Lounge was open for business and held their weekly Taco Tuesday's event. While the event carried on, two groups of male began verbally arguing inside of the establishment which prompted a security response. As the security guards attempted to defuse the situation, the two groups of males began pushing and shoving each other and were asked to leave the premises. The security guards followed their procedures when two groups are involved in an altercation by having one group leave prior to having the second party leave the building to prevent further altercations on the exterior of the building. Despite the security precautions, both groups exited the building at the same time where the argument continued in the parking lot area.

While in the parking lot, a male from one of the groups went to a vehicle and produced a firearm. Upon seeing the firearm, the security guards locked the main entrance doors and notified the manager Craig L BERRY of the situation. Individuals who were with the male that produced the firearm quickly disarmed him and put him inside the vehicle that quickly departed from the scene without further incident. The male that produced the firearm never pointed the weapon at anyone nor the business during this incident. BERRY call for a police response to ensure that the individuals that were involved in the incident were no longer on scene to provide safety for the remaining patrons inside the building.

PO ENK and PO CAPELLE arrived on scene and did not observe any remaining altercations. LICENSED PREMISE REPORT

Majeed, Khalid 028473

05/05/2023

This report is written by P.O. Khalid MAJEED assigned to District #4, Late Power Shift.

On Saturday, April 22, 2023, PO Travis CAPPALLE and I, operating as squad 4467, were dispatched to a "Injured person Sick" complaint located at 8617 W Brown Deer Rd which is the Mr. B's Lounge. This address is located in both the City and County of Milwaukee, WI.

INVESTIGATION

Upon our arrival to this location, I immediately observed a b/f who appeared to be intoxicated due to her bending over at the waist with her hands on her knees surrounded by a group of people. I approached to group and introduced myself as a Milwaukee Police officer and asked if everything was ok.

The group responded that everything was ok and that they were taking their friend home. The group stated she was "just drunk." I asked the female if she needed medical and she stated "No". The female stated she did not wish to speak with police at all.

I spoke with security at the location who verified that the unknown b/f was intoxicated and that she vomited inside the location. The female was asked to leave shortly thereafter which she and her friends complied without incident. Mr. B's has camera surveillance and is cooperative with police investigations. I observed this incident on the camera surveillance with nothing further to report.
