Subject: Selection of Fiscal Planning Specialist for Capital Improvements Committee

I am pleased to announce that Ms. Kathy Brengosz has been selected to fill the position of Fiscal Planning Specialist in our Legislative Services Division. This position was created in the 2010 budget to provide services to the Capital Improvements Committee. Her duties will be to assist the Committee in preparing citywide annual capital improvements budget requests and the 6-year capital improvements plan, monitor capital improvement projects and programs, and prepare semi-annual capital progress reports for large scale capital projects and programs and annual infrastructure preservation reports.

Kathy is currently an Engineering Tech IV in the Department of Public Works, Infrastructure Services Division. She has been with DPW since 1983. She has a Bachelor's Degree in Accounting and is nearing completion of her Master's Degree in Accounting.

Kathy will start on March 22 and will report directly to Deputy City Clerk Jim Owczarski. She will initially be located in the Council Records Section in Room 205, City Hall, and can then be reached at 286-3926.

Many thanks to Jim Owczarski and the 3 members of the Capital Improvements Committee that served as the interviewing panel: Gerard Froh, Skip Schifalacqua and Michael Daun.
