ATTN: CLAIMS
200 East Wells St; Room 205
Milwaukee, WI 53202-3567

Dear City Clerk –

The circumstances regarding this claim are as follows:

On Monday, July 10th, between 11p and 11:15p, a branch from a tree that was located in front of 2567-69 N. 41st St. broke off and fell to the street below. The size of this branch was between 6 and 8 inches in diameter and 12-16 ft. long.

My vehicle was parked across the street from 2567-69 N. 41st St.

The largest section of the branch fell hitting the rear door and smashing the window of my car. When the tree fell, it blocked the entire street. The enclosed police report states that 2 residents called in stating that a tree has fallen and is in the middle of the street. A passing motorist, who wanted to drive through the street, with the help of his passenger, removed it before I could take a picture of it.

The weather conditions that evening had very little to no wind to cause the branch to break off. As you can see from the enclosed picture, the inside of the tree is rotted and decayed, which may have contributed to its breaking off. Additionally, the other pictures show dead branches on the tree. The City may want to completely remove the remainder of the tree to prevent any future damage to property or people.

The City of Milwaukee owns and maintains all trees on the street, therefore, my claim is against the City for damages caused by this occurrence. I am seeking damages in the amount of \$500 [which is the cost of my insurance deductible.] [Documentation is attached]

I can be reached during the day at 414.534.2067 and my email address is: fieldswillie@att.net.

Sincerely,

Willie C. Fields
