Neighborhood Statement and Request to City of Milwaukee ZND Committee

As Riverwest neighbors, we are opposed to this zoning change to allow a dorm at North Avenue in Riverwest due to our as yet unaddressed concerns about neighborhood parking, the size of the building, number of freshmen it will contain and it's location on the Milwaukee river.

We ask the ZND Committee to reject this zoning change and encourage UWM to build the dorm in a more appropriate location.

Neighborhood Statement and Request to City of Milwaukee ZND Committee

As Riverwest neighbors, we are opposed to this zoning change to allow a dorm at North Avenue in Riverwest due to our as yet unaddressed concerns about neighborhood parking, the size of the building, number of freshmen it will contain and it's location on the Milwaukee river.

We ask the ZND Committee to reject this zoning change and encourage UWM to build the dorm in a more appropriate location.
