RE: Board position BID 11 Brady Street

Objective: Participate and facilitate the needs of the varied businesses on Brady Street. Promoting the unique vibe and vibrancy that makes Brady Street.

Experience: Previous board member and chairman. Initiated the revival of the Brady Street Festival. Organized the first Drag Show feature, with fashion show in the first year of the Brady Street festival. Booked musical acts and contracted sound company. Conducted meetings as Chairman.

I am a business owner operator, resident, and property owner on Brady Street. I feel this to be an attribute to give the board a view that encompasses the total Brady Street experience.

Sincerely

Leroy H Buth Jr
