To the Honorable, the Common Council

Subject: 2005 Capital Improvements Program
Infrastructure Services Division
Federal/State Aid Project
West Forest Home Avenue from
South 42nd Street to South 35th Street

Dear Council Members:

The 2005 Capital Improvement Program includes the improvement of West Forest Home Avenue from South 42nd Street to South 35th Street under the Surface Transportation Program. The Federal Program provides cost participation for the improvement of traffic control devices in conjunction with the highway paving.

One hundred percent of the total cost will be funded by the Wisconsin Department of Transportation (WISDOT).

We have, therefore, prepared the attached resolution, which authorizes and directs the Commissioner of Public Works to execute a Service and Supply (S&S) contract with WISDOT that allows City forces to install and/or modify traffic control facilities in conjunction with the improvement of West Forest Home Avenue from South 42nd Street to South 35th Street in the 8th and 11th Aldermanic Districts.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Jeffrey J. Mantes
Commissioner of Public Works
