..Analysis
This ordinance defines the term “industrial wastewater treatment facility” for zoning purposes. It further provides that this land use shall be a prohibited use in all zoning districts except the industrial-light (IL), industrial-mixed (IM) and industrial-heavy (IH) districts, where it shall be classified as a special use. In addition, the ordinance provides that whenever an industrial wastewater treatment facility is classified as a special use, no special use permit for the facility shall be granted by the board unless the board finds that the proposed use will not be located within 500 feet of a single-family or 2-family residential zoning district.
