RE: "Title Only" Grant
Resolution

Dear Mr. Zielinski:

This is to provide you with background information on the grant resolution that the Health Department would like to be introduced:

Federally Qualified Health Center Program - While this is a new grant, the funding is not new to the City of Milwaukee. Changes in federal regulations and procedures require the change in account structure. The program works to serve the medically underserved and at-risk community members.

As always, thank you for your consideration of this "title only" resolution. The file will be filled as soon as possible.

Sincerely,

Janet Nell
Administrative Specialist-Sr.
