REMOVE NO PARKING ON THE
EAST SIDE OF NORTH 18TH STREET FROM
WEST HAMPTON AVENUE TO A POINT SOUTH

Dear Alderman Pratt:

This is in response to your request on behalf of Pastor Joe Young of Zion Hill Missionary Baptist Church to remove the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that the parking restriction is no longer necessary since the factory that requested it has moved out of the area several years ago. Restoring the parking will also provide additional parking for the patrons of the church.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

30 MINUTE PARKING ON THE NORTH SIDE OF
EAST KENWOOD BOULEVARD FROM
NORTH OAKLAND AVENUE WEST TO THE ALLEY

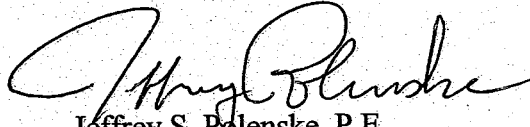

Dear Alderman D'Amato:

This is in response to your request on behalf of Mr. Eric Wagner to install the above-captioned parking restriction.

Our Traffic Engineering staff has investigated this request and found that this change will provide additional turnover parking in an area with high on-street parking demand. We, therefore, recommend that the parking be restored.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

REMOVE NIGHT PARKING EXCEPTION
ON EAST KENWOOD BOULEVARD FROM

Dear Alderman D'Amato:

Since East Kenwood Boulevard was removed from the through highway list with the installation of the traffic circles at North Bartlett Avenue and at North Newhall Street the legislation for the above-captioned parking exception should also be removed. This change we propose will only correct City ordinance, and will not affect signing, nor have effect on you constituents.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

**REMOVE PARKING RESTRICTIONS
VARIOUS LOCATIONS IN THE
4TH ALDERMANIC DISTRICT**

Dear Alderman Henningsen:

As part of our on-going effort to verify field parking sign installations with ordinance records on file in the Legislative Reference Bureau, we have discovered that the signs for the parking restrictions listed below are not present in the field. The area residents or businesses have not questioned the absence of these signs, and we believe that the restrictions are no longer needed. We, therefore, recommend that the ordinances be repealed. The changes we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting to remove the following restrictions:

1. North 13th Street from West Clybourn Street to West Michigan Street – Two Hour Parking

FROM NORTH 21ST STREET TO
A POINT 150 FEET NORTHWEST

Dear Alderman Gordon:

This is in response to your request on behalf of Ms. Judith Dunlap of Legacy Bank to install the above-captioned parking restriction.

Our Traffic Engineering staff has investigated this request and found that motorists exiting the banks drive-through operation have a difficult time seeing traffic traveling northwestbound on West Fond du Lac Avenue when vehicles park close to the driveway. Therefore, in the interest of public safety, we recommend installing this restriction to increase exiting motorists' visibility of northwestbound traffic.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.
