

Redevelopment Authority of the City of Milwaukee

Resolution No.: 11019
Adopted on: November 21, 2024
Project Area: N/A
Aldermanic District: N/A

Resolution authorizing the Redevelopment Authority of the City of Milwaukee (RACM) to expend the funds and execute documents necessary to contract for a new Enterprise Resource Planning software.

Whereas, in 2007 RACM upgraded their Enterprise Resource Planning (ERP) software by installing the proprietary software called “4gov®”; and

Whereas, since entering into the original agreement, through Board approved resolutions, RACM extended the service Agreement for the “4gov®” software, with the current term of the agreement set to expire on July 31, 2025; and

Whereas, RACM Administration and Finance staff, along with the assistance of the City’s IT department, has explored several options including renewing the current ERP software or replacing it with new ERP software; and

Whereas, based off of this extensive research, RACM Administration and Finance staff recommend discontinuing the use of the “4gov®” software and instead replace it with Microsoft Dynamics 365 ®; and

Whereas, City of Milwaukee Chief Information Officer, supports this change in ERP software for RACM; now therefore it be resolved

Resolved, By the Redevelopment Authority of the City of Milwaukee that the Executive Director is authorized to expend the funds and execute any additional documents and instruments necessary to carry out the purposes of this Resolution, including, without limitation, a Contract and/or Statement of Work for implementation, and a License Agreement.

CERTIFICATION

I certify that the forgoing is a true and exact copy of a resolution adopted by the Redevelopment Authority of the City of Milwaukee, WI on the date set forth above.
