

STEVEN FRITSCHÉ

3353 N Humboldt Blvd, Milwaukee, WI 53212

sfrits@ameritech.net

OBJECTIVE: I am interested in becoming a member of the Administrative Review Appeals Board

EDUCATION: University of Wisconsin – Milwaukee
Bachelor of Arts - Letter and Science - 1974
Bachelor of Science – Architecture and Urban Planning – 1997

CAREER: Department of Neighborhood Services 1978 – 2011
Code Enforcement Inspector 1978 – 1988
Zoning Inspector 1988-1990
Assistant Supervisor Code Enforcement 1990 – 1997
Assistant Supervisor Construction 1997 - 2006
Supervisor Construction 2006 – 2011

EXPERIENCE: During my career with the Department of Neighborhood Services I had the opportunity to represent the department and give testimony before a number of boards and committees including:

Standards and Appeals Commission
Board of Zoning Appeals
Administrative Review and Appeals Board
Utilities and Licensing Committee
Zoning Neighborhoods and Development Committee

I testified for the Department on many occasions in Milwaukee Municipal Court and Milwaukee County Circuit Court.

I was the department's representative at Board of Zoning Appeals hearings from 1997 through 2011.

My supervisor at the department, Richard Paur, was the secretary for the Standards and Appeals Commission and in his absence I performed that function at committee hearings.

I have many years of broad experience appearing before and representing DNS at various board and commission meetings. The majority of my experience has been with the Board of Zoning Appeals and the Standards and Appeals Commission. I believe my experience representing the Department provides me with great insight into how boards and commissions work and the enormous responsibilities of their members. I believe my knowledge and experience would be a valued asset to the Administrative Review Appeals Board.
