RELATING TO FILE NO. 190828
SUBSTITUTE 2

VERSION:

TITLE: A substitute ordinance relating to the preparation of minority impact statements.

ITEM NUMBER 69

COMMITTEE: Community and Economic Development Committee

MOTION

I move to replace s. 50-6-2-a-3 of Substitute 2 of Common Council File Number 190828 with the following:

a-3. A city contract or action relating to interaction between the city and residents in the course of delivering services, implementing city policies or programs, or enforcing city ordinances.

I further move to add s. 50-6-1-b-6 to Substitute 2 of Common Council File Number 190828 as follows:

b-6. Persons identifying or describing their sexual orientations or gender identities as lesbian, gay, bisexual, transgender, queer or questioning.

ANALYSIS OF MOTION

This motion eliminates the words "direct or indirect" and "resident" from s- 50-6-2-a-3 as redundant.

This motion further adds persons who identify as LGBTQ to the list of minority groups covered by the requirement to submit a minority impact statement.
