Dear Alderman Amato,

We Mr. And Mrs. Welch are writing you this letter to share with you how we are being treated as citizens of Milwaukee, Taxpayers, and Business owners. On April 1st there was an incident that accured involving our personal property and a two potholes. There was \$2324.41 worth of damages to our vehicle. The city said that the area where this accident happened is Milwaukee County jurisdiction, they denied the claim. Milwaukee County gave me information to contact the Milwaukee Highway Engineer at 10320 Watertown Plank road Wauwatosa, WI 53226. There was no phone number listing for this address. I then left Mr. Overholt and left a message, he then called back and gave me the number to Dale Oldenburg. When I finally spoke to Mr. Oldenburg he gave me the phone to a company named Zignego CO INC. which was a company contracted with the state of Wisconsin to repair 76th St. They said they did nothing to cause pot holes in the road, they denied our claim. I then received a call from a Ryan Anderson who stated he worked for the county. He requested a copy of the states decision on our claim. I faxed him a copy and haven't heard from him since that time.

We as citizens of Milwaukee Wisconsin feel like we have been violated. No one should be treated in the manner that we have, being tossed around from person to person and no one is taking responsibility in this matter. We are seeking reimbursement for the damages to our vehicle in the amount of \$2324.41 that occurred while driving south bound on north 76th Street April 1st 2007.

We do understand that this claim falls under Milwaukee County jurisdiction, but we're seeking help from you as well. Thank you for your prompt attention in this matter. If you have any questions we can be reached at 414-875-9113-0R 1923 W. Nash Street Milwaukee, WI 53206.

Sincerely Yours,

Tonni Welch
