

February 13, 2007

To the Honorable, the Common Council

Subject: North 76<sup>th</sup> Street from  
West Florist Avenue to West Clinton Avenue

Dear Council Members:

The Wisconsin Department of Transportation is paving North 76<sup>th</sup> Street from West Florist Avenue to West Clinton Avenue in 2007 under the Federal/State Aid program, which provides for one hundred percent funding for the installation of permanent street lighting facilities.

The total estimated cost of the street lighting project is \$149,613.57. The Wisconsin Department of Transportation will fund one hundred percent of the total cost.

Therefore, we have prepared the attached resolution, which authorizes the Commissioner of Public Works to execute a Local Force Account (LFA) – Local contract with WISDOT that allows City forces to install permanent street lighting facilities in conjunction with the paving of North 76<sup>th</sup> Street from West Florist Avenue to West Clinton Avenue in the 2<sup>nd</sup> and 9<sup>th</sup> Aldermanic Districts.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Jeffrey J. Mantes  
Commissioner of Public Works
