I. GRIEVANCE PROCEDURE

A. GRIEVANCES

Differences involving the interpretation, application or enforcement of the 1. provisions of this Agreement or the application of a rule or regulation of the Milwaukee Police Department affecting wages, hours, or conditions of employment shall constitute a grievance under the provisions set forth below. Matters of departmental discipline involving application of the rules or regulations of the Milwaukee Police Department which are not subject to appeal to the Board of Fire and Police Commissioners, shall constitute a grievance under the aforementioned provisions and matters of departmental discipline involving application of the rules or regulations of the Chief of Police which are subject to appeal to the Board of Fire and Police Commissioners shall not constitute a grievance under the aforementioned provisions. Matters involving approval of medical (or dental) insurance claims filed by an employee, or medical (or dental) insurance claims filed by an employee on behalf of his/her dependents, shall not constitute a grievance under the aforementioned provisions. Obligations of the City under Chapter 65, Wisconsin Statutes, and any

pension matter under the exclusive jurisdiction or control of any duly

constituted pension board shall not constitute a grievance under the

11

provisions aforementioned.

2. This Grievance Procedure shall be inapplicable to grievances involving health and life insurance benefits. A grievance concerning health insurance or life insurance benefits, other than a matter involving claims, shall be submitted directly to the City Labor Negotiator for review within fifteen (15) calendar days of the occurrence of the incident leading to such grievance. Within fifteen (15) calendar days following receipt of such grievance by the City Labor Negotiator, representatives of the MPA shall meet with the City Labor Negotiator, or his/her designee, at a mutually convenient time and place in an attempt to resolve the grievance. Following such meeting, the City Labor Negotiator shall answer the grievance in writing setting forth the reasons for his/her decision and submit same to the Association Grievance Committee Chairman within twenty-five (25) calendar days of such meeting. If the grievance is not settled, the Association may proceed to final and binding arbitration as hereinafter provided.

- All grievances and grievance appeals shall set forth the provision of the Agreement and/or the rule or regulation of the Chief of Police under which the grievance was filed. All appeals of duly filed grievances not submitted by the Association or employee (hereinafter referred to as "member") within the time limit specified shall be termed abandoned grievances and as such shall be considered as being resolved in favor of the City and not subject to provisions of this GRIEVANCE AND ARBITRATION PROCEDURE. By mutual agreement, the parties may waive any of the steps contained in this GRIEVANCE AND ARBITRATION PROCEDURE. With the consent of the Association, the City Labor Negotiator may waive any of the steps contained in this GRIEVANCE AND ARBITRATION PROCEDURE for grievances involving economic matters; this waiver provision shall not apply to grievances over matters of Departmental discipline.
- 4. In the event the Chief or Department takes a particular action which, in the

28

1

2

Association's view, results in a violation of the agreement and such action adversely affects a number of members under circumstances that are essentially identical, the MPA grievance committee may file a group grievance on their behalf at the second step, within 15 calendar days of the occurrence of the incident leading to such grievance. The group grievance shall identify by name, all members alleged to have been adversely affected by such action. If the MPA grievance committee is unable to identify all members of the group, by name, within the time limit allowed for the filing of grievances, it shall specify those facts which cause the adversely affected members to be identically situated in its view. Before responding to the grievance, the Department shall provide the Association with information or access to information reasonably necessary for the Association to identify the members covered by the group grievance. The Association must identify all members covered by the group grievance before appealing it to arbitration. Alleged violations occurring after the occurrence of the incident giving rise to the group grievance shall not be considered to be covered by the group grievance, even if the facts are alleged to be essentially identical. In such a case, separate grievances or group grievances must be timely filed in order to be considered. Nothing herein is intended to preclude the parties from agreeing to consolidate grievances and group grievances for purposes of arbitration.

5. The aggrieved member shall reduce his/her grievance to writing on a provided numbered form and shall present such written grievance to the Association. The Association shall meet with the grievant and if the grievant so desires and the Association so determines, the Association shall submit the written grievance to the Personnel/Administration Bureau within fifteen (15) calendar days of the occurrence of the incident leading to the grievance. Therein, a request shall be made for a meeting with the Chief of Police to

consider the grievance. The Chief of Police and the Chief's Panel together with the MPA Grievance Committee Chairman, or his/her designee who shall be a member of the MPA bargaining unit, shall meet at a mutually agreeable time. The grievant shall be entitled to be present at such appeal meeting and shall have the right to be represented by the Grievance Committee Chairman, or his/her designee who shall be a member of the MPA bargaining unit, and the parties shall discuss the grievance in good faith and attempt to resolve the matter. Within thirty (30) calendar days of receipt of the written appeal to the grievance, unless the time period is mutually extended by the parties, the Chief shall, in writing, advise the Chairman of the MPA Grievance Committee and the grievance is not settled the Association may proceed to final and binding arbitration as hereinafter provided.

II. GRIEVANCE ARBITRATION

- A. Final and binding arbitration may be initiated by serving upon the Chief of Police and City Labor Negotiator a notice in writing of an intent to proceed to final and binding arbitration within 30 calendar days of receipt of the Chief's decision. Said notice shall identify the grievance and the employees involved.
- B. The parties shall have one hundred twenty (120) calendar days following the receipt of such written notice to agree upon the selection of an arbitrator, If the parties cannot agree upon an arbitrator within the allotted timeframe, the Association shall, within thirty (30) calendar days, request, in writing, the Wisconsin Employment Relations Commission to submit a list of five (5) ad hoc arbitrators to both parties. The parties shall, within seven (7) calendar days of the receipt of said list, select the arbitrator by alternately striking names from the list until one name remains. Such person shall then become the arbitrator. Failure to make a request to the Wisconsin Employment Relations Commission for an ad hoc arbitrator panel within the said period of time shall constitute a settlement of the grievance.

C. The arbitrator shall hold hearings at a time convenient to the parties, with the location of such hearings alternating between the MPA offices and the offices of the City Hall complex. The arbitrator shall take such evidence as in his/her judgment is appropriate for the disposition of the dispute. Statements of position may be made by the parties and witnesses may be called. In disputes involving application of rules or regulations of the Milwaukee Police Department, the Chief of Police or his or her representative shall be permitted to participate in the proceeding and to state the Department's position on the dispute.

- D. The arbitrator shall neither add to, detract from, nor modify the language of the Agreement or of the rules and regulations in arriving at a determination of any issue presented that is proper for final and binding arbitration within the limitations expressed herein. The arbitrator shall have no authority to grant wage increases or wage decreases.
- E. The arbitrator shall expressly confine himself/herself to the precise issues submitted for arbitration and shall have no authority to determine any other issue not so submitted to him/her or to submit observations or declarations of opinion which are not directly essential in reaching the determination.
- F. In reviewing any difference over application of a departmental rule or regulation under this grievance and arbitration procedure, the arbitrator shall take into account the special statutory responsibilities granted to the Chief of Police under Section 62.50, Wisconsin Statutes, 1977. The arbitrator shall not impair the ability of the Chief of Police to operate the Department in accordance with the Statutory responsibilities under Section 62.50, Wisconsin Statutes, 1977, nor shall he/she impair the authority of the Chief of Police to maintain, establish and modify rules and regulations for the operation of the Police Department, provided such rules and regulations are not in violation of the specific provisions of this Agreement. In addition, the arbitrator shall not prohibit the Chief of Police from executing Departmental rules and regulations in a fair and equitable manner.

G. All expenses which may be involved in the arbitration proceedings shall be borne by the parties equally. However, the expenses relating to the calling of witnesses or the obtaining of depositions or any other similar expense associated with such proceedings shall be borne by the party at whose request such witnesses or depositions are required.

- H. For the purpose of receiving testimony and evidence, the provisions of Section 788.06 and 788.07 of the Wisconsin Statutes shall apply. The arbitration award shall be reduced to writing and shall be subject to Sections 788.08 through and including 788.15 of the Wisconsin Statutes. All other sections and provisions of Chapter 788 are hereby expressly negated and of no force and effect in any arbitration under this Agreement.
- I. It is contemplated by the provisions of this Agreement that any arbitration award shall be issued by the arbitrator within sixty (60) calendar days after the notice of appointment unless the parties to this Agreement shall extend the period in writing by mutual consent.
- J. The arbitrator shall submit in writing his/her award to the parties.

1

2

(1) Compensatory Time Off Balance (CTB)

The term "compensatory time off balance (CTB)", as used in subsection 3 of this Article, shall mean the unused amount of overtime the employee has earned that was compensated in time off instead of cash.

(2) Overtime Earned

The term "overtime earned," as used in subsection 3 of this Article, shall mean the amount of overtime worked times the rate at which it is compensated; for example, one hour of overtime worked that is compensated at straight time rates $(1X)^{*1}$ under this Article shall equal one hour of overtime earned and one hour of overtime worked that is compensated at a rate of time and one-half $(1\frac{1}{2}X)$ under this Article shall equal $1\frac{1}{2}$ hours of overtime earned.

b. Payment

All overtime earned for work performed during the term of this Agreement, shall be paid for in cash except that:

- (1) If an employee's compensatory time off balance (CTB) recorded on the most current Police Department Personnel Status Report is less than 225 hours, the employee may elect to be compensated in time off instead of cash for each instance of overtime work performed after issuance of the most current Status Report until issuance of the next Status Report which indicates the employee's CTB is equal to or greater than 225 hours.
- (2) An employee may use compensatory time off on dates he/she has requested provided the employee gives his/her commanding officer reasonable

- (3) The parties recognize and shall implement the U.S. Department of Labor's position that prior to denying a request to use accrued compensatory time, and even when granting the request would bring operations below prescribed staffing levels, an employer must first attempt operational alternatives to fill its prescribed staffing levels by using replacement officers at premium overtime rates when required by the FLSA. Accordingly, the City, working with and through the Milwaukee Police Association, has established a system which guarantees that no one is denied compensatory time off when prescribed staffing levels can be met through a replacement (paid at FLSA premium rates where they apply). If a police officer is denied a request to use compensatory time on the regularly scheduled shift that the officer has requested, whether on the basis of prescribed staffing levels or for any other reason(s), the provisions enumerated as subsections (a) through (k) at the end of this paragraph will be utilized in order to obtain, when at all possible, a suitable replacement for the officer, excepting under the following circumstances in which the below-described duties fall within the officer's regularly scheduled shift:

by police officers through other means. The following conditions will apply to replacements obtained under this subsection. If these conditions are fulfilled, the replacement will work in place of the employee who has requested the use of compensatory time off and that request shall be granted.

- (a) Arrangements for a replacement must be made and confirmed at least 48 hours in advance of the start of the compensatory time which is to be taken off.
- (b) The replacement worker is within the same "box" as shown on the "Milwaukee Police Department Organizational Chart" attached hereto as page 1 of Appendix G (as may be in effect, modified or changed from time to time by the Department or the Fire and Police Commission) as the employee exercising his/her right to use compensatory time off, except as specifically provided on page 2 of Appendix G or unless the employee's commanding officer in his or her discretion approves a replacement obtained by the employee from a different "box." In the event that the Department or the Fire and Police Commission modifies the organizational chart, the parties will immediately engage in collective bargaining to provide for reasonably comparable access to replacement workers.
- (c) The replacement must have more than one (1) year of service from date of hire and must have completed field training.
- (d) The replacement must be of the same rank as the employee requesting use of compensatory time off.
- (e) The replacement will be permitted to work as a replacement only on a day when he/she would otherwise be on a regular day off.
- (f) An employee is ineligible to work as a replacement for more than two (2) regular off days in a pay period.
- (g) An employee is ineligible to work as a replacement for more than

four (4) hours during a shift that immediately precedes or follows that employee's regular work shift, not to exceed two (2) occasions per pay period. However, if, because of staggered shifts, the shift of the officer who is being replaced ends or begins one hour before or after the shift of the replacement officer, such shift shall be deemed to "immediately" precede or follow the replacement's regular work shift. When this occurs, the replacement shall work the one-hour of gap (for a maximum of five (5) hours work), which gap time shall be compensated as if it was regular replacement time, as specified in subsection (h), immediately below.

- (h) The regular shift replacement hours will be compensated in cash at straight-time (1X) rates (except for the four (4) contractual holidays specified at Article 32 paragraph 1 of this Agreement which will be paid at 1½X Base Salary). Time worked as a replacement under this subsection shall be counted as "hours worked" for FLSA purposes, so long as the requirements of the FLSA apply to the City.
- (i) The replacement will not receive out-of-shift premium.
- (j) The replacement shall be subject to all of the obligations applicable to any employee who is regularly scheduled for duty.
- (k) If the replacement reports sick on a day when he/she is scheduled to work as a replacement, he/she will be ineligible thereafter to work as a replacement for a period of 90 days. If the replacement reports injured off-duty on a day when he/she is scheduled to work as a replacement, the replacement will be ineligible thereafter to work as a replacement for a period of 90 days unless: (1) the off-duty injury occurred subsequent to the time at which the replacement agreed to serve in that capacity; and (2) the replacement provides medical substantiation of the off-duty injury.

- 1 (1) A replacement will, at the time of his/her selection, execute on a
 2 form prescribed by the Chief of Police his/her agreement to serve as
 3 a replacement in accordance with the terms and conditions of this
 4 Agreement. The officer taking compensatory time off who arranged
 5 for the replacement will also execute this form.
 - (4) An officer, at his/her option and under preexisting practices, may also seek a "body-for-body" trade as allowable under 29 C.F.R. § 553.31 ("Substitution") in order to use compensatory time off when desired. This shall not be a prerequisite to the procedure set forth in subsection 3.b.(2) and (3) for obtaining a replacement.
 - c. Compensatory Time Off Segments

- (1) Subject to the terms and conditions provided for in subsection 3.b.(2) of this Article, above, and except as provided in 3.c.(2), below, an employee authorized to use earned compensatory time off must use it in units of either eight-hour days or four-hour segments.
- (2) Subject to the terms and conditions provided for in subsection 3.b.(2) of this Article, above, an employee may request to use earned compensatory time off in units of one (1) hour for purposes of significant personal importance. Such requests will be granted at the discretion of the supervisor consistent with the needs of the service and shall not be denied arbitrarily or capriciously. It is understood that the needs of the service are of preeminent importance in weighing such requests.
- 4. All overtime shall be at the option of the Chief of Police.
- Application of the provisions contained in this Article shall not involve pyramiding of overtime. During a period of time there are two (2) concurrent overtime rates, the following procedure shall be used to determine the rate for that period:
 - a. If both rates are at time and one-half $(1\frac{1}{2}X)$, the employee is paid at a rate of time and one-half $(1\frac{1}{2}X)$.
 - b. If one of the rates is time and one-half $(1\frac{1}{2}X)$ and the other straight-time (1X), the

- 1 employee is paid at a rate of time and one-half $(1\frac{1}{2}X)$.
- 2 c. If both rates are straight-time (1X), the employee is paid at a straight-time (1X) rate.
- d. For purposes of construction and interpretation of this provision, a court appearance involving the three and three quarter hour court overtime minimum payment shall be deemed a two and one-half-hour period of time and one-half (1.5X) overtime beginning with the start of such court appearance.
- The hourly pay used in the computation of overtime shall be equal to one-eightieth (1/80) of the employee's current biweekly base salary as provided for in the BASE SALARY provision of this Agreement.
- 7. Overtime shall be compensated for each actual hour or nearest 0.1 of an hour of authorized overtime worked.
- 13 8. Any payment made under the provisions of this Article shall not have any sum deducted 14 for pension benefits nor shall such payments be included in the determination of pension 15 benefits or other fringe benefits.
- 16 9. The terms and conditions agreed to between the parties in respect to Police Band overtime 17 (except as stated below), court overtime parking and negative comp time balances, which 18 are set forth respectively in City/MPA Memoranda of Understanding dated: September 19 14, 1983 (Police Band Overtime), October 12, 1983, and November 16, 1983 (Court 20 Overtime Parking) and December 15, 1983 (Negative Comp Time Balances) shall be 21 incorporated into the provisions of this Article and be made a part of this Agreement as 22 Appendix B. The terms and conditions of the Memorandum of September 14, 1983 (Police 23 Band Overtime) shall be amended to provide that the Compensatory Time Off Bank (CTB) 24 time is the same as provided in subsection 3.b.(1) of this Article.
- 25 10. Miscellaneous Overtime Provisions
- a. Roll Call
- Existing roll-call time practices will be maintained for the term of this Agreement or any agreed-upon extension thereof. Effective August 11, 1985, and for so long

as employees are covered by the Fair Labor Standards Act (FLSA) during the term of this Agreement, or any agreed upon extension thereof, the 18-minute roll-call period shall be reduced to a 12-minute period with all overtime earned during such 12-minute period compensated at time and one-half (1½X) the base salary rate. If and when employees are no longer covered by the FLSA, the roll-call period shall be increased to an 18-minute period and overtime earned as a result of roll-call shall be compensated at base salary rates (1X). Identification Technicians who are assigned to perform street duties shall attend roll call and receive roll call pay.

b. Compensatory Time Off

If and when the City is required by law to pay cash for overtime work performed that could otherwise have been paid for in compensatory time off under the provisions of this Agreement, the City may modify overtime provisions to assure that overtime compensation (whether in cash, compensatory time, or both) for all overtime work performed shall not exceed $1\frac{1}{2}X$ the employee's base rate of pay.

FIRE AND POLICE COMMISSION OVERTIME

3 1. Definition

Fire and Police Commission Overtime shall be defined as time spent by an employee outside of his/her regularly scheduled eight-hour work shift, (as such eight-hour work shift is defined under the HOURS OF WORK Article of this Agreement) under subpoena at a trial proceeding conducted by the Board of Fire and Police Commissioners (FPC); provided such FPC trial proceeding resulted from either a citizen complaint filed with the FPC, or an appeal from discipline administered by the Chief of Police, and provided further that the employee so subpoenaed was involved in the incident which gave rise to the complaint or the discipline. The extent of involvement occasioning an employee's appearance at a FPC trial proceeding, where such appearance was solely for the dispositional phase of that proceeding, shall, in addition to covering involvement in the incident which gave rise to the complaint or the discipline, cover any other involvement such employee had in the course of his/her employment in the Police Department with the defendant(s) in such complaint or discipline. The term, "FPC trial proceeding," as used herein, shall also include FPC conciliation proceedings.

18 2. Limitations

- a. Fire and Police Commission Overtime shall not include overtime assignments made by the Chief of Police. Overtime assignments made by the Chief of Police shall be covered by Article 15 of this Agreement entitled OVERTIME.

 - c. An employee shall be required to turn over to the Police Department Administration all witness fees he/she received as a result of a FPC trial proceeding for which the employee received Fire and Police Commission Overtime pay, and make no subsequent claim for this money whatsoever.

3. Fire and Police Commission Overtime Rates

- a. Fire and Police Commission Overtime earned as a result of an appearance at a FPC trial proceeding that was not limited solely to the dispositional phase of the trial proceeding, shall be compensated at:
 - (1) Base salary rates (1X) for all time spent at such appearance when the appearance is less than or equal to two hours in duration; however, a minimum of two hours' pay at base salary rates (1X) shall be granted an employee when he/she is subpoenaed to appear at such FPC trial proceeding on his/her own time, reports thereto, and is excused before completing the two-hour minimum.
 - (2) Base salary rates (1X) for the first two hours of such appearance and at time and one-half (1 1/2X) the base salary rate for all time in excess of the first two hours of such appearance, when such appearance is greater than two hours in duration.
 - b. Fire and Police Commission Overtime earned as a result of an appearance at a FPC trial proceeding that was solely for the dispositional phase of the trial proceeding, shall be compensated at a flat rate equal to two (2) hours of pay computed at the employee's base salary rate (1X) in effect at the time of the appearance. The flat amount provided hereunder shall not be construed as a limitation on the length of an employee's appearance at such dispositional phase.
- 4. Fire and Police Commission Overtime Payments
 - Fire and Police Commission Overtime earned under the provisions of this Article shall be compensated for in cash or compensatory time off in accordance with, and subject to, the provisions of subsection 3 set forth in Article 15 of this Agreement. Fire and Police Commission Overtime earned, that is compensated for in compensatory time off shall count towards the employee's CTB and be recorded on the Police Department Personnel Status Reports. For purposes of interpretation and construction of the provisions of this subsection, each instance of Fire and Police Commission Overtime worked of less than two

- hours' duration at a FPC trial proceeding, that was not limited solely to the dispositional phase, shall equal two hours of Fire and Police Commission Overtime earned and each instance of Fire and Police Commission Overtime worked at an FPC trial proceeding that was limited solely to the dispositional phase shall equal two hours of Fire and Police Commission Overtime earned.
- Employees receiving compensation under the provisions of this Article for an appearance at a FPC trial proceeding shall be covered by the provisions of subsection 2.b.(4) set forth in the Overtime Article of this Agreement for that appearance.
- Application of the provisions contained in this Article shall not involve pyramiding of Fire and Police Commission Overtime, nor shall it involve pyramiding with compensation provided under the Overtime Article of this Agreement. For purposes of interpretation and construction of the provisions of this subsection, the terms and conditions set forth in subsection 5 of the Overtime Article shall be applicable.
- 7. The hourly pay used in the computation of Fire and Police Commission Overtime shall be equal to 1/80th of the employee's biweekly base salary in effect at the time of the FPC trial proceeding for which such compensation is being provided.
- 17 8. Except for compensation received under subsection 9 of this Article, any payment made 18 under the provisions of this Article shall not have any sum deducted for pension benefits 19 nor shall such payments be included in the determination of pension benefits or other fringe 20 benefits.
- An employee under subpoena to a FPC trial proceeding during the period which falls within his/her regularly scheduled eight-hour work shift shall be entitled to his/her regular base salary for that period; provided that such employee is not on paid leave, was actually scheduled to work or worked a portion of such shift. Eligibility for compensation under this subsection, and witness fee reimbursement requirements, shall be subject to the same terms and conditions applicable to Fire and Police Commission Overtime that are set forth in subsections 1 and 2 of this Article.
- 28 10. Administration

a. The Executive Director of the FPC, or his/her designee, shall record the employee's appearance at a FPC trial proceeding, noting the time the employee was required to report to such proceeding and the time the employee was excused from such appearance. The Executive Director, or his/her designee, shall also note if the employee was subpoenaed solely for the dispositional phase of the trial proceeding. This information shall be forwarded to the Police Department Administration. As a condition of eligibility for receipt of the compensation provided hereunder, an employee must submit his/her subpoena, or clear facsimile thereof, to the Executive Director (or his/her designee) at the time the employee reports to the trial proceeding.
b. Administration and control of the provisions of this Article shall be under the City

- 1. Chapter 36 of the Milwaukee City Charter regarding pension benefits for employees

A compensable 10 injury associated with or arising from one or more separate incidents occurring prior to the 11 incident constituting its immediate cause shall be deemed a recurrence and shall not give rise 12 to additional injury pay entitlement. The 80% provision shall become effective January 1, 13 1985, and shall cover employees receiving injury pay benefits on or after that date regardless 14 of the date on which the compensable injury, or recurrence thereof, occurred.
- In providing injury pay in an amount equal to 80% of the employee's base salary, the employee 15 agrees to allow the City to make a payroll adjustment to his/her biweekly paycheck deducting 16 17 an amount equal to 20% of his/her base salary for that portion of the pay period he/she received 18 injury pay and make no subsequent claim for said amount whatsoever. Such deduction shall 19 be administered so as not to reduce employee pension benefits. For purposes of interpretation 20 of the provisions of this Article, the term base salary as used herein shall mean the employee's 21 base salary pay rate in effect during the pay period he/she is claiming injury pay as that base 22 salary rate is established in the BASE SALARY Article of this Agreement.
- 3. After "injury pay" benefits have been exhausted, employees shall have the option of accepting sick leave benefits or accepting worker's compensation temporary disability benefits. This option, which shall be in writing, may be terminated without prejudice to temporary total or temporary partial disability benefits under the Worker's Compensation Act thereafter, but such termination shall not be retroactive and any sick leave already used at the time of such

- 1 termination of option shall not be restored to the employee.
- 2 4. Questions involving eligibility for injury pay shall be determined under the applicable law
- and the substantive and procedural rules of the Department of Workforce Development
- 4 relative to Worker's Compensation and in the event of a dispute between the City and the
- 5 employee relative to such eligibility, the Department of Workforce Development and the
- 6 courts upon the statutorily prescribed review thereof shall be the sole and final arbiters of such
- 7 dispute.
- 8 5. In all third-party claims or actions, the City shall not be limited in its recovery to the amount
- 9 of temporary disability benefits which would otherwise have been payable under the Worker's
- 10 Compensation Act, but shall instead be entitled to recover the amount of injury pay received
- by the employee. In the event the City recovers an amount of injury pay received by the
- employee, the City shall restore the employee's number of calendar days (equivalent amount
- of recovery) for said injury.
- 14 6. Whenever an employee sustains a compensable injury, he or she shall immediately notify his
- or her commanding officer of this fact. Each instance of injury pay that the employee fails to
- 16 comply with the requirement of this subsection shall result in the employee losing his/her
- entitlement to any injury pay for that instance.
- 18 7. Employees reporting absent due to a compensable injury shall be governed by the Rules and
- 19 Regulations and Standard Operating Procedure of the Police Department pertaining thereto.
- 20 8. If the Internal Revenue Service (IRS) determines that the injury pay benefits provided
- hereunder are taxable as wages, then beginning with the effective date of such determination,
- the City will no longer require the 20% employee deduction from injury pay benefits provided
- for in subsections 1. and 2. of this Article, above.
- 24 9. In no case shall temporary disability benefits and injury pay be allowed for the same period
- of time.
- 26 10. Employees appointed to the Police Officer position classification shall not be entitled to the
- 27 injury pay benefits provided hereunder for any injury they may sustain while on duty prior to
- 28 the start of field training during the period of time they are assigned to the Police Training

Academy for recruit training. Such employees shall instead be covered by State of Wisconsin Workers' Compensation Act (WCA) temporary disability benefits during such period, including all applicable terms and conditions provided for in the WCA. The provisions of subsections 6, 7 and 9, above, shall be applicable to employees governed by this subsection.

11. During the period of an employee's absence from duty due to a duty-incurred injury, the employee shall be permitted to leave his/her residence or place of confinement so long as he/she has first obtained a written statement from his/her personal physician stating that such travel will further his/her recuperation and the employee has first presented his/her personal physician's statement to his/her commanding officer or shift commander. Whenever an employee authorized to leave his/her residence or place of confinement, leaves the confines of Milwaukee County, he/she shall provide his/her commanding officer written advance notice of this departure indicating on the notice the time period he/she will be out of Milwaukee County, location(s) where he/she can be reached and, if a location has an address and/or telephone number, the address and/or telephone number of the location(s). While outside the confines of Milwaukee County, the employee shall be required to notify his/her commanding officer of his/her whereabouts by telephone of any changes in the locations indicated on the advance notice. During any fifteen (15) day period, an employee shall not be permitted to remain outside the confines of Milwaukee County for more than 14 consecutive calendar days. Except as provided herein and in subsection 6 of the VACATION Article of this Agreement, Rule 5, Section 7 of the Milwaukee Police Department Rules and Regulations shall remain unchanged and in full force and effect.

The fact that the parties have entered into an agreement preserving the status of Article 25 shall not be used by either party as evidence or argument in pending proceedings to revoke the City of Milwaukee's self-insured status. - 15 3. An employee shall be eligible to receive the terminal leave pay benefit only once during his/her lifetime.
- 4. Terminal leave payments shall not be construed as being part of employee's base salary and shall not be included in the computation of any fringe benefits enumerated in this Agreement.
- 5. Terminal leave payments shall not have any sum deducted for pension benefits nor shall such payments be included in any computation establishing pension benefits or payments.

VACATIONS

3 1. Definitions

- The following definitions shall be used solely for the purpose of computing the current and prospective vacation benefits:
 - a. Anniversary Date: The date an employee completes twelve (12) months of active service following appointment to the City of Milwaukee as a regular employee. After the completion of the first twelve (12) months of active service an employee's vacation anniversary date shall not change.
 - b. Active Service: The time spent as a regular employee on the City of Milwaukee payroll including the performance of assigned duties for the City and paid time not worked. In order for paid time to count as active service for vacation purposes, such time, together with any authorized unpaid leaves of absence must be continuous from the date of appointment. Active service shall also include the time spent by an employee who takes a military leave. In the event of an employee's resignation, discharge or retirement from City employment, active service shall cease as of the employee's last day at work.
 - c. Year of Service: The duration of time in active service.
- 20 Eligibility for vacation shall begin after the completion of twelve (12) months of active service following appointment. An employee whose service is expected to continue so as to complete a year's active service may, after six months of service and at the sole discretion of the Chief of Police be allowed to take vacation time within the year of appointment. However, if the employee leaves the service of the City before the completion of the initial 12-month period, that vacation shall be deemed unearned and payments made during the vacation shall be deducted upon termination of employment.
- 26 3. An employee shall earn vacation time at the following rates:
 - a. Rates For Calendar Years 20202023, 20212024, 2025 and 20222026

(1) Eight (8) hours for each calendar month of active service since an employee's last anniversary date up to a maximum of eighty (80) hours per calendar year for an employee with less than seven (7) years of active service.

- (2) Twelve (12) hours for each calendar month of active service since an employee's last anniversary date up to a maximum of one hundred twenty (120) hours per calendar year for an employee with at least seven (7) years but less than twelve (12) years of active service.
- (3) Sixteen (16) hours for each calendar month of active service since the employee's last anniversary date, up to a maximum of one hundred sixty (160) hours per fiscal year for an employee with at least twelve (12) years but less than twenty (20) years of active service. Effective Pay Period 20, 2024, sixteen (16) hours for each calendar month of active service since the employee's last anniversary date, up to a maximum of one hundred sixty (160) hours per fiscal year for an employee with at least twelve (12) years but less than eighteen (18) years of active service.
- (4) Twenty (20) hours for each calendar month of active service since an employee's last anniversary date up to a maximum of two hundred (200) hours per calendar year for an employee with at least twenty (20) years of active service. Effective Pay Period 20, 2024, twenty (20) hours for each calendar month of active service since an employee's last anniversary date up to a maximum of two hundred (200) hours per calendar year for an employee with at least eighteen (18) years of active service.
- b. For purposes of pro-rating, an employee in active service for at least fourteen (14) days in a calendar month shall be deemed as having been in active service for the full calendar month; in the event the employee is in active service for less than 14 days in a calendar month, then the employee shall be deemed as not being in active service at all during the calendar month.
- c. The time period during which an employee earns vacation with pay for a calendar year

- shall be limited to the employee's period of active service between his/her anniversary date for that calendar year and his/her immediate preceding anniversary date. The amount of vacation time taken during a calendar year, except for separation from service as provided in subsection 5 below, shall be limited to the maximums noted in this subsection, above. These maximums are not guarantees; an employee is not entitled to any greater vacation with pay in a calendar year than that which he/she has earned for that calendar year.
- 4. Employees must use vacation time during the calendar year for which such vacation time is earned; employees who do not use all of their entitled vacation time within the calendar year for which it was earned shall lose all rights to the unused time off.

- Vacation time taken before the full amount has been earned shall be considered time owed the City until it is earned. Any employee who leaves the service of the City due to resignation, retirement, termination, discharge, layoff or death will have the compensation for vacation time owed the City deducted from the final paycheck. In the event the employee's last pay check is for an amount less than the amount of compensation owed the City, a deduction shall also be made from the employee's next preceding pay check that covers the balance of compensation owed the City. Any employee who leaves the service of the City due to resignation, retirement, layoff or death or who takes military leave will be paid for earned vacation time that has accumulated. If an employee returns to duty prior to his/her next following anniversary date, any vacation time earned and taken hereunder shall be offset against the employee's earned vacation time for the calendar year in which that anniversary date falls. Discharged employees are not entitled to pay for accumulated vacation time.
- 6. An employee on authorized injury leave as a result of a duty-incurred injury may use vacation scheduled during the period of such leave provided the Police Department Administration receives a written advance request to use the vacation, which indicates the time and place of the vacation, and provided further, the employee's private physician has authorized use of this vacation. Injured employees not using vacation scheduled during the period of their leave shall have their unused vacation rescheduled by the Police Department Administration when

they return to duty, if it is possible to do so, before the end of the calendar year. In the event the Police Department Administration is unable to reschedule all of the employee's remaining unused vacation before the end of the calendar year, the employee shall be entitled to receive a lump sum payment equivalent to the dollar value of the remaining unused vacation at the end of the calendar year, computed on the basis of the employee's base salary rate in effect at the time for which the vacation was originally scheduled. This lump sum payment shall be made as soon as is administratively practicable following the end of the calendar year. The lump sum payment shall not be construed as being part of the employee's base salary and shall not be included in the computation of any fringe benefits enumerated in this Agreement. The lump sum payment shall not have any sum deducted for pension benefits nor shall it be included in any computation establishing pension benefits or payments. When authorized by the Police Department Administration, an employee may elect to carry over into the next succeeding calendar year any remaining unused vacation that the Police Department Administration was unable to reschedule by the end of the calendar year, instead of the lump sum payment provided above. The vacation carried over shall be used by March 1 of the following calendar year or the employee will lose all rights to it, including all rights to the lump sum payment provided above. The scheduling of carried-over vacation shall be subject to availability of the dates requested by the employee, require prior approval by the employee's Commanding Officer and in no way affect the scheduling of other employees' vacations.

- 7. Employees on authorized sick leave shall have their vacation that was scheduled during such leave rescheduled by the Police Department Administration when they return to duty if it is possible to do so before the end of the calendar year. In the event the Police Department Administration is unable to reschedule all of the employee's remaining unused vacation before the end of the calendar year, the City, upon the employee's return to duty, will restore to the employee's sick leave account an amount of time equal to the amount of unused vacation.
- 8. Employees in active service shall have time spent receiving a duty disability retirement allowance included as years of service for purposes of computing current and prospective vacation benefits.

9. Segmented Vacation Periods

- a. An employee may segment up to all of the portion of his/her maximum annual vacation time entitlement earned under paragraph 3 that exceeds eighty (80) hours into units of one (1), two (2), three (3) or four (4) consecutive eight-hour work days. The aggregate amount of an employee's segmented vacation for a calendar year shall be deemed a segmented vacation period. All other vacation benefits to which an employee is entitled shall be taken in five (5) consecutive eight-hour workday units in accordance with existing Departmental practices.
 - b. A segmented vacation period may be used during the time period from January 1 through and including December 31 of a calendar year.
 - c. An employee requesting a segmented vacation period in a calendar year shall, prior to March 15 of such calendar year, notify his/her commanding officer in writing of this fact on a form provided by the City, setting forth thereon the number of segmented days requested. Notification requirements as to the specific dates requested by the employee for his/her segmented vacation shall be as set forth in subsection 9.d., below. An employee failing to comply with this requirement shall not be permitted a segmented vacation period during such calendar year. The Police Department Administration shall have the authority to limit the aggregate number of segmented vacation days requested in the time period provided for in subsection b., above, if it determines that granting additional requests for segmented vacation periods will result in insufficient manpower being available to meet the needs of the Police Service.
 - d. For each unit of segmented vacation, the employee shall provide his/her commanding officer with reasonable advance notice indicating the date(s) on which the employee wants to use such unit of segmented vacation; such advance notice shall be provided in writing no later than 72 hours prior to the first day of the segmented unit of vacation. Except for requested segmented vacation dates occurring on or before March 15 of the calendar year, no requested dates for segmented vacation will be processed by the Department until all non-segmented vacations for that calendar year have been

selected by every employee in the Association bargaining unit. All segmented days must be scheduled or requested on or before October 15th of the calendar year; provided, however, that subject to the approval of an employee's commanding officer, the October 15 deadline may be waived because of emergency, or other extraordinary circumstance, affecting the employee. An employee failing to comply with requirements of this subsection shall have his/her unused segmented vacation time scheduled for him/her by his/her commanding officer.

- e. All requests made by employees for scheduling units of segmented vacation that are submitted in accordance with the time limit and notice requirements provided above shall be processed on a first-come, first-served basis, subject to the availability of the dates requested determined by the employee's commanding officer. No request will be granted that results in another employee losing any non-segmented vacation dates he/she had previously selected in accordance with Departmental practices established for that purpose. In the event an employee's request for scheduling a unit of segmented vacation is in compliance with all of the time limit and advance notice requirements provided above, but the employee's commanding officer has determined that some or all of the dates requested by the employee for that unit are unavailable, it shall be the responsibility of the employee to schedule available substitute dates with his/her commanding officer.
- 10. The vacation with pay benefits computed under the provisions of this Article shall be the full and only vacation benefits to which employees covered by this Agreement shall be entitled during calendar years 20202023, 20212024, 2025, and 20222026.
- 11. The assignment and scheduling of vacations with pay shall be controlled by the Chief of Police. However, in exercising those controls, supervisors charged with the responsibility of scheduling vacations shall not be prohibited from tentatively agreeing to allow members to rearrange their scheduled off days in order to change the starting date of a non-segmented vacation, if projected staffing needs would appear to permit such a rearrangement. If it is necessary to revoke the tentative approval granted due to staffing needs, the member shall be

- given notice no later than seven (7) days prior to the first day the member is tentatively scheduled to be absent.

TIME OFF FOR JURY DUTY

- 3 1. Employees covered by this Agreement shall be granted time off with pay for jury duty when
- 4 they are legally summoned for jury duty, subject to the terms and conditions provided for in
- 5 subsections 2 through 6, inclusive, of this Article, below.
- 6 2. When an employee is legally summoned to report for jury duty he/she shall:
- 7 a) Immediately notify his/her commanding officer and promptly submit to him/her a
- 8 written report, in "matter of" form, showing the date he/she is required to report for
- 9 such jury duty; and
- 10 b) Complete City of Milwaukee form C-139 (Application for Jury Duty Pay) and County
- of Milwaukee form 2448R16 (Official Jury Notice), and forward both documents to
- the Police Department Administration Bureau-Payroll Section; and
- 13 c) Submit a Certification of Jury Service form to the Police Department Administration
- Bureau--Payroll Section at the end of his/her jury duty. Copies of this form may be
- obtained from the Circuit Court Calendar Clerk.
- 16 3. While on authorized jury duty employees shall be considered by the Police Department to be
- working the day shift and shall be permitted to change their off-duty days (regular off and
- 18 vacation days) subject to approval from the Police Department Administration. If the
- employee's off-duty days are changed, the employee shall be required to turn over all jury
- duty payments he/she receives (excluding official travel pay) to the City; in the event the
- employee's off-duty days are not changed he/she shall be entitled to retain the jury duty
- payments he/she receives for jury duty performed on his/her off-duty days, but shall be
- required to turn over to the City all other jury duty payments he/she receives (excluding
- official travel pay).
- 25 4. Employees shall not be eligible for overtime while on jury duty, even if such duty extends
- beyond eight hours in one day; nor shall they be eligible for overtime for work performed
- outside their regularly scheduled work shift that is the result of changes made pursuant to

subsection 3. of this Article, above.

17

2 On days when the employee is normally scheduled to work, no greater amount of time off for 3 jury duty shall be granted than is necessary. If an employee is called for jury duty on such 4 day and reports thereto without receiving a jury assignment for that day, or if he/she is engaged in jury duty for part of such day, he/she shall immediately notify his/her commanding officer 5 6 of this fact by telephone and report back to work for the remainder of his/her work day. If the 7 employee is engaged in jury duty for part of a day that falls on a work day, then such 8 requirement to report back to work shall not be applicable on days where the amount of time 9 remaining in the employee's regularly scheduled eight-hour shift for that day, together with 10 travel time from the jury duty site to the employee's duty assignment location, does not allow for a work period of reasonable length; in this circumstance, the employee shall still be 11 12 required to notify his/her commanding officer in accordance with the requirement set forth 13 above. The criteria used in determining what constitutes reasonable length shall be based on 14 present Police Department practices covering jury duty; notwithstanding the foregoing, an employee released from jury duty prior to 12:00 noon on a work day must report back to work 15 16 for the remainder of his/her work day.

TIME OFF IN LIEU OF HOLIDAYS

- 3 1. Employees shall be entitled to receive up to ninety sixone hundred four (96104) hours off
- 4 with pay in lieu of holidays per fiscal year, one eight-hour period of which shall be designated
- 5 by the Chief of Police to commemorate Dr. Martin Luther King's birthday.
- 6 2. Employees in active service less than a fiscal year shall be entitled to time off in lieu of
- 7 holidays with pay prorated on the basis of their length of service during the fiscal year. Time
- 8 off in lieu of holidays shall be earned at a rate of eight and two thirds (8.67) hours per calendar
- 9 month for each calendar month in a calendar year that the employee was on the Police
- Department payroll. For purposes of interpretation of this provision, an employee on the
- Police Department payroll for at least 14 days in a calendar month shall be deemed as having
- been on the Police Department payroll for the full calendar month; in the event the employee
- is on the Police Department payroll for less than 14 days in a calendar month, then the
- employee shall be deemed as not having been on the payroll at all during such calendar month.
- 15 3. Except as provided in subsection 4 of this Article, below, such time off with pay shall be used
- by the employee in the fiscal year in which they are earned; employees who do not use all of
- their entitled time off in lieu of holidays within the fiscal year in which it was earned shall
- lose all right to the unused time off.
- 19 4. If an employee is unable to use all of the time off in lieu of holidays with pay to which the
- employee is entitled during a fiscal year because of an extended period of authorized sick
- leave that does not allow the Chief of Police to reschedule some or all of the employee's
- unused time off in lieu of holidays in that fiscal year, then the City, upon the employee's return

3	MILWAUKEE POLICE DEPARTMENT DRUG TESTING POLICY STATEMENT	

- 4 The Milwaukee Police Department is charged with enforcing all laws and ordinances and with
- 5 maintaining a safe and peaceful community. The pervasive risk of harm caused by drug
- 6 trafficking and illegal drug use by members of the Police Department creates a clear
- 7 and present danger to the safety of the public and fellow law enforcement officers. The
- 8 illegal use of drugs cannot and will not be tolerated within the Milwaukee Police Department.
- 9 The law enforcement profession has several uniquely compelling interests that justify the use
- of employee drug testing. The public has the right to expect that those who are sworn to
- protect them are at all times both physically and mentally prepared to assume these duties.
- There is sufficient evidence to conclude that the use of controlled substances and other forms
- of drug abuse can seriously impair an employee's physical and mental health, and thus, job
- performance. Where law enforcement officers participate in illegal drug use and drug activity,
- the integrity of the law enforcement profession and public confidence in that integrity is
- destroyed. This confidence is further eroded by the potential for corruption created by drug
- use.
- Therefore, in order to ensure the integrity of the Milwaukee Police Department and to preserve
- public trust and confidence in a fit and drug free law enforcement profession, the Department
- shall implement an expanded drug testing program to detect illegal drug use by sworn
- employees. Officers of all ranks will be randomly tested in such numbers as to ensure that a
- credible deterrent exists to illegal drug use.

23 MILWAUKEE POLICE DEPARTMENT DRUG TESTING PROGRAM

- 24 (Provisions applicable to MPA-represented Department Members)
- 25 I. DRUG TESTING PROGRAM DESCRIPTION
- A. The term "Department" as used herein shall mean the Milwaukee Police Department.
- The term "member" shall mean a Department employee in the WERC certified
- Department bargaining unit represented by the MPA.

1 В. Members shall be subject to drug testing under the following circumstances: 2 1. Where facts or circumstances are sufficient to constitute reasonable suspicion 3 that a Department member is illegally using drugs. NOTE Reasonable Suspicion exists when evidence or information which 4 5 appears reliable is known to the police supervisor and is of such weight and 6 persuasiveness as to make the supervisor, based upon/his/her personal judgment 7 and experience, reasonably suspect that member of the department is 8 illegally using drugs. A reasonable suspicion that a member is illegally using 9 drugs must be supported by specific articulable facts from which rational 10 inference may be drawn. Reasonable suspicion cannot be based upon mere 11 "hunch" or solely upon poor work performance. If suspicion of drug use is based 12 upon observation of the suspected member's physical appearance, at least two 13 (2) supervisors <u>must</u> make observations. 14 2. Whenever a member is directly involved in an incident that results in death, or 15 great bodily harm as defined by State Statute. 16 3. Whenever a member is on probation, the member shall be tested prior to completion of the member's probation period. Completion of the member's 17 18 probation period shall be contingent upon passing the drug test. 19 4. Whenever a member is eligible for promotion (including reclassifications), the 20 member shall be tested prior to promotion. Promotion shall be contingent upon 21 passing the drug test. 22 5. Whenever a member is returning from a leave of absence that exceeds 90 23 consecutive calendar days in duration. Reinstatement to the Department from 24 the leave of absence shall be contingent upon passing the drug test. 25 6. Random Drug Testing 26 Periodically a list of Department members selected for drug testing shall a. 27 be generated by an independent secure random selection process. The 28 frequency of random testing, and sampling rate, shall be as prescribed

from time to time by the Chief of Police. The independent agency providing the random selection process shall be prescribed by the Chief. Such independent agency shall be provided with a list of all Department members covered by random drug testing encoded so that only the Chief of Police and the Commanding Officer of the Professional Performance Division know the identity of the Department members.

- b. The Chief may increase the frequency of random testing, and sampling rate over and above the frequency of random testing and sampling rate he prescribes from time to time under paragraph 6.a., hereof, for members assigned to the following Department Units: Vice Control Division, Tactical Enforcement Unit, Property Control Section (only those persons directly involved in the custody and handling of illegal drugs), Professional Performance Division and, the Intelligence Division. If subsequent Departmental reorganization results in modifications to any of these units, the function performed by a unit as it is presently constituted, shall continue to be covered hereunder no matter how such unit is constituted following a future reorganization.
- c. Members selected to be tested shall be notified by their Commanding Officer, who shall give them a written order to report for testing. A copy of such written order shall not be entered into a member's personnel file, but shall be retained by the Department in a file kept at the Professional Performance Division. Effective Pay Period 21, 2025 (September 28, 2025), Members shall acknowledge receipt of the written order provided, above, via signature witnessed by the Commanding Officer. Refusal to provide a signature shall be grounds for discipline.
- d. All members on paid leave who are selected for drug testing pursuant to paragraphs 6.a. or 6.b., hereof, shall not be required to participate in such test, except those members having the following status as of the notice of

1		selection:
2		(1) Members on sick or injury leave who have received permission to
3		leave the residence to further recuperation;
4		(2) Members on compensatory time off authorized after the selection
5		notice; or
6		(3) Members on "suspended with pay" or "dismissed with pay pending
7		appeal" status.
8		e. Members on regular off days shall not be subject to random drug testing.
9		f. Any member selected for testing who claims inability to participate due to
10		medical reason shall be examined by a physician designated by the Chief.
11		The physician shall determine if such member may be excused from the
12		test. If such member is excused from a scheduled test, he/she shall be
13		rescheduled for testing as soon as possible, irrespective of any random
14		sampling selection.
15		7. Members having sensitive assignments, referenced in paragraph 6.b., hereof,
16		shall be subject to drug testing upon entering and leaving these assignments, as
17		well as on an annual basis while serving in such assignments.
18	C.	Refusal to submit to a drug test shall result in immediate suspension and discipline up
19		to and including dismissal from the Department. Attempts to alter or substitute a test
20		sample provided by the member being tested shall be deemed a refusal to submit to a
21		drug test. When the member appears unable to give a specimen at the time of the test,
22		testing personnel shall document the circumstances on the drug-test report form. The
23		member shall be permitted no more than three (3) hours to give a sample, during which
24		time he/she shall remain in the testing area, under observation. Reasonable amounts
25		of water may be given to the employee to encourage urination. Failure to submit a
26		sample shall be considered a refusal to submit a drug test.
27	D.	Testing Procedure
28		1. The current testing procedure shall be continued. This procedure is currently

administered by Aurora Consolidated Laboratories. Nothing herein shall prohibit the Chief of Police from changing the provider of this procedure, so long as the new provider is DHHS-certified and performs the procedure pursuant to DHSS standards.

2. Substances to be tested for include:

Amphetamines Opiates
Canabinoids Phencyclidine (PCP)
Cocaine

Nothing herein shall prohibit the Chief of Police from amending this list of substances, so long as the added substance is one for which DHHS has adopted a quantitative standard for a positive test finding for the substance; the Department will notify the MPA of amendments to this list of substances.

3. Split Samples

At the collection site, the technician shall either collect the specimen in two containers or shall collect the specimen in one container and shall then split the specimen into two containers. One sample (the primary sample) shall be tested by the City-designated testing laboratory. The other sample (the split sample) shall be stored by the testing laboratory should a verified confirmed positive result from the test of the first sample.

If a verified, confirmed positive result is obtained from the test of the primary sample, the member shall be informed that he/she has 72 hours to notify the Medical Review Officer (MRO) that he/she wishes to challenge the test result by means of independent testing of the split sample. The member must so notify the MRO in writing within 72 hours of the member's being notified that his/her test was verified confirmed positive for the presence of a drug. Upon such a challenge, the split sample retained by the testing laboratory for use by the member shall be forwarded by the testing laboratory to a DHHS-certified laboratory selected by the member from a list of four such laboratories designated by the City.

All costs associated with the testing of the split sample shall be borne by the member, provided however, if the test of the split sample does not indicate a positive drug test result, then the Department shall reimburse such member for the costs of testing the split sample. Testing of split samples shall be conducted pursuant to the retesting provision described in the Federal Guidelines.

4. All test results shall be reviewed and interpreted by a Medical Review Officer (MRO) who shall be a licensed physician with knowledge of substance abuse disorders, designated by the Chief. The MRO shall examine alternative medical explanations for any confirmed positive test result. This action may include conducting a medical interview with the individual, review of the individual's medical history, or review of any other relevant biomedical factors. The MRO shall review all medical records made available by the tested individual when a confirmed positive test could have resulted from legally prescribed medication. The MRO shall forward the results of his/her review to Chief of Police and/or Commanding Officer of the Professional Performance Division.

II. ACCESS TO TEST RESULTS

Confirmed positive drug test results verified by the MRO shall be made available only to the following:

Chief of Police

Commanding Officer of the Professional Performance Division

III. ADMINISTRATION/DISCIPLINARY ACTION

A. A member, who has been ordered to take and has taken, a drug test based on either reasonable suspicion, or the requirements of paragraph I.B.2., hereof, shall not be subject to disciplinary action until the test results are received by the Department. During that period, however, the member may be required to surrender his/her weapon, badge, I.D. card, cap shield, and callbox key, and may be suspended with pay. This action shall be accomplished most discreetly and, whenever possible, without advising other personnel of the reasons.

B. All discipline involving a member who has a confirmed positive test for illegal drug use, verified by the MRO, shall be administered by the Chief; such discipline may include dismissal from the Department. For purposes of interpretation and construction of the free parking provisions provided for in the 1983-1984 City/MPA labor contract (Article 17, subsection 2.a.(4)), an employee shall be covered by such provisions when performing the following authorized overtime assignments, notwithstanding the fact that such assignments do not fall within the ambit of court overtime work as determined by the Police Department Administration:

THE NEGOTIATING TEAM FOR THE CITY OF MILWAUKEE

The parties hereto agree that for purposes of interpretation and construction of the provisions of subsection 3.c. of the OVERTIME Article of the current City/MPA labor contract, in respect to administration of negative compensatory time off balances, the following shall apply from and after December 19, 1983:

- 1. Subject to the requirements governing usage of compensatory time off provided for in subsection 3.c.(2) of such OVERTIME Article, an employee may use compensatory time off so long as his/her compensatory time off balance (CTB) recorded on the most current Police Department Personnel Status Report is not less than zero (0) hours, notwithstanding the fact that such usage may result in the employee having a negative CTB on the next following status report.
- 2. An employee with a negative CTB recorded on the most current Police Department Personnel Status Report shall have an amount equal to the cash value of his/her negative CTB deducted from the paycheck he/she receives for the Pay Period next following the Pay Period of the status report recording such negative CTB. - 3. An employee may not use time off which he/she has earned, such as vacation and holiday time or compensatory time off earned following publication of a Police

The parties further agree that with respect to authorized overtime assignments directly related to the Milwaukee Police Department Band function, the following provisions shall be applicable:

1. Notwithstanding the OVERTIME Article of the 1983-1984 Labor Contract between the City of Milwaukee and the Milwaukee Police Association, when an employee is a member of the Milwaukee Police Department Band and performs an authorized overtime assignment directly related to the Band function, he/she shall be compensated at base salary rates (IX) in compensatory time off for the duration of such overtime assignment. The time off so earned: Shall not count towards the 32-hour Compensatory Time Off Bank (CTB) limit determining the

- employee's eligibility for overtime compensation in compensatory time off, instead of cash, that is provided for in subsection 3.c.(1) of the OVERTIME Article; Shall not affect the employee's CTB recorded on Police Department Personnel Status Reports; and shall not be included in the cash buyout provided for under subsection 3.d.(1) of the OVERTIME Article.
- 2. An employee may use earned time off from authorized overtime assignments directly related to the Police Band function on dates he/she has requested provided the employee gives his/her commanding officer reasonable advance notice of the dates requested and the dates are determined available by the commanding officer in accordance with the needs of the Police Service. The processing of requests for use of compensatory time off shall be on a first-come, first-served basis. Decisions made by employee's commanding officer with respect to the availability of the dates the employee has requested shall be final.
- 3. Administration of Band Overtime shall be in accordance with Departmental Order #7386, dated February 17, 1977, and attached herewith as Appendix A.

The parties further agree that for purposes of administering the benefits provided by aforesaid OVERTIME Article (as amended, above) the following provisions shall apply:

- 1. Except as provided in subsection 2, of this paragraph, below, the Police Department Personnel Status Report used to determine an employee's eligibility to elect compensatory time off instead of cash for an instance of overtime work performed shall cover overtime work performed during the 336 consecutive hour time period beginning at 12:01 a.m. on the second Wednesday of the pay period closest to the date on which the Status Report is issued. Normally, the Status Report would be issued on the second Wednesday of the pay period; in the event the Status Report is delayed, it shall be deemed effective retroactive to 12:01 a.m. on that Wednesday.
- 2. An employee may elect to be compensated in time off instead of cash for rollcall overtime if either of the two Police Department Personnel Status Reports that are issued during the

- current pay period reflect a balance of less than 32 hours. Such election must be for all rollcall overtime earned in such pay period.
- 3. An employee may elect to be compensated in time off instead of cash for out-of-shift premium earned if the employee's CTB recorded on the most current Police Department Personnel Status Report in effect on the date that the out-of-shift assignment ends is less than 32 hours.

The parties further agree that all other terms and conditions of the aforesaid OVERTIME Article (as amended, above) shall remain unchanged and in full force and effect.

The parties further agree that the agreements provided for above shall be deemed to be in force and effect on September 11, 1983.

APPENDIX C

The parties hereto agree that whenever the Police Department Personnel Status Report for a pay period indicates a deficit in the time off entitlement of an employee because he/she has:

- (1) Exceeded his/her annual HOLIDAY OFF entitlement; and/or
- (2) Exceeded his/her annual VACATION entitlement; and/or
- (3) A negative SICK LEAVE BALANCE,

the Police Department Administration shall deduct unused time off in the employee's accounts indicated on such status report that are not in deficit by an amount of time off up to the time off that offsets, hour for hour, the employee's time off deficit unless the employee notifies the Police Department Administration prior to 3 p.m. on the Friday immediately following the date such status report is issued that he/she does not want the offset made; such notification shall be provided in accordance with Departmental procedures established for this purpose. If such notification is provided the offset will not be made and the deficit will be docked from the employee's paycheck for the pay period of the status report (the amount of such deficit to be computed on the basis of the employee's hourly base salary rate in effect during such pay period). If there is no unused time off in the employee's accounts indicated on such status report that are not in deficit, or if the amount of such unused time off is insufficient to offset the employee's time off deficit, the remaining deficit will be docked from the employee's paycheck on the same basis as is provided above when the notification requirements are met; and

The parties further agree that the terms and conditions herein shall not be applicable to negative compensatory time off overtime balances reflected on the Police Department Personnel Status Report, such negative comp time balances shall be governed by the provisions of a Memorandum of Understanding between the parties dated December 15, 1983.

In the event the Police Department Personnel Status Report for a pay period indicates a deficit in the time off entitlement of an employee because he/she has exceeded his/her INJURY PAY ENTITLEMENT as a result of the City's conclusion that an injury or illness is either not work related or that the employee fully recovered from such injury or illness while injury pay had

continued, the Department shall inform the employee in writing and the employee shall be provided with the opportunity to respond to the City's conclusion by indicating that he/she disputes the City's conclusion or does not dispute that conclusion.

If the employee does not dispute the City's conclusion, the employee will be given the choice of:

- (a) Applying any banked sick time, compensatory time and holiday hours to the overpayment of injury pay, and having any balance not covered by such accrued time deducted from the employee's bi-weekly paycheck at the rate of 10% of the employee's gross pay until such overpayment is fully offset, or;
- (b) Having the entirety of such overpayment deducted from an employee's bi-weekly paycheck at the rate of 10% of the employee's gross pay until such overpayment is fully offset.

If the employee disputes the City's conclusion, he/she will be provided with the opportunity to apply for a hearing under Chapter 102, Stats., and advised that if he/she fails to promptly do so the City may exercise its right to file a claim and seek a judgment of overpayment.

In the event that the Police Department Personnel Status Report for a pay period indicates a deficit in the time off entitlement of an employee because he/she has exceeded his/her INJURY PAY ENTITLEMENT as a result of anything other than the City's conclusion that an injury or illness is either not work related or that the employee fully recovered from such injury or illness while injury pay had continued, the process for HOLIDAY OFF, VACATION, and SICK LEAVE balance described above shall apply.

The parties further agree that this Appendix shall be made a part of the 2018-2019 City/MPA labor contract.

APPENDIX E

The following paragraphs from the Pension Benefits Article of the 1985-1986City/Association Agreement are included for informational purposes:

- Employees who are entitled to service credit during calendar years 1979 through 1986, inclusive, under either the Employee's Retirement System of Milwaukee or Policemen's Annuity and Benefit Fund of Milwaukee pension plans, shall receive such service credit at the rate of 2.5% per annum of Final Average Salary for each such year or part thereof.
- 2. Whenever the ERS Act provides that a medical panel make a determination affecting an employee's eligibility for benefits thereunder, a panel shall be substituted therefore consisting of three (3) physicians, one physician to be designated by the Association, one physician to be designated by the Employe Benefits Administrator and the third physician to be selected by agreement of the other two physicians. The panel may refer a member it is examining to an outside physician for examination. Decisions made by the panel on matters which are properly before it shall be by majority action and shall not be subject to the Grievance and Arbitration Procedure provisions of this Agreement. All costs associated with the panel, including costs of outside physicians used by the panel in making its determinations, shall be provided for by funds appropriated for that purpose from the budget of the City Annuity and Pension Board.
- 3. Effective January 1, 1985, for employees in active service on or after that date and who are members of the Policemen's Survivorship Fund of the Employees' Retirement System of Milwaukee, an increase in the current \$200/\$400 monthly survivorship benefits to \$300/\$600 per month, under the same terms and conditions applicable to such current benefits. This increase is being granted because there is no added cost, but if the experience is adverse, the benefits are to be reduced so as not to increase cost. All other terms and conditions of survivorship benefits shall remain unchanged.
- 4. An employee who files an application for a duty disability retirement allowance with the ERS Board on or after August 1, 1985, shall not be eligible to continue to receive

such allowance beyond the first of the month next following their 57th birthday; on and after the first of the month next following their 57th birthday, such an employee shall receive the service retirement allowance to which he/she would be entitled upon normal retirement at age 57 and he/she shall have the time spent receiving such duty disability retirement allowance included as creditable service for purposes of determining his/her service retirement allowance. The City will hold the Association harmless from claims and actions against the Association based upon this subsection and any ordinance or administrative action implementing this subsection, and the Association does hereby agree to tender the defense of any such claim to the City forthwith.

- 5. An employee appointed to the Police Officer position classification on or after August 1, 1985, shall not be entitled to receive a duty disability retirement allowance for any injury he/she may sustain while on duty prior to the start of field training during the period of time he/she is assigned to the Police Academy for recruit training, including any subsequent injury related to the injury sustained during recruit training. Such an employee shall instead be covered by State of Wisconsin Workers' Compensation Act benefits during such period and shall be subject to all provisions pertaining to such Act.
- 6. Effective January 1, 1985, for employees in active service on or after that date:
 - a. Whenever the Annuity and Pension Board of the Employees' Retirement System of Milwaukee grants a disability retirement allowance to an employee under the provisions of Subsections 36.05(2) or 36.05(3) of the ERS Act, such allowance shall become effective on the date the employee filed an application for it with the Board.
 - b. If an employee, who becomes eligible to receive an ordinary disability retirement allowance under the provisions of Section 36.05(2) of the ERS Act on or after January 1, 1985, elects an optional benefit provided for under 36.05(7)(b) of the ERS Act, the option so elected shall become effective on the employee's effective date of ordinary disability retirement as determined under Section 36.05(2) of the ERS Act.

- c. If an employee, who has attained the minimum service retirement age, elects an optional benefit provided for under Subsection 36.05(7)(b) of the ERS Act on or after January 1, 1985, the option so elected shall become effective on the employee's effective date of retirement determined under Subsection 36.05(1)(a) of the ERS Act.
- 7. An employee in active service on or after January 1, 1985, who is a member of the Employees' Retirement System of Milwaukee (ERS) and who has not attained the minimum normal retirement age and service requirements provided for in Sections 36.05(1)(b) or 36.05(1)(f) of the ERS Act shall be permitted to elect a protective survivorship option for his/her spouse under Section 36.05(7)(b)4 of the ERS Act to become effective upon his/her death provided the employee makes such election six months prior to the date upon which he/she first attained 25 years of creditable service as a "Policeman." Such election shall be irrevocable, but shall be automatically revoked in the event the surviving spouse pre-deceases the employee before retirement or the surviving spouse is legally divorced from the employee before retirement. If elected, the coverage under such option shall become effective on the date the employee would have first attained age 52. In the event the employee has not attained the aforesaid minimum normal retirement requirements, but has at least 25 years of creditable service as a "Policeman," then such employee shall have until six months following the execution date of this Agreement to elect such option; if elected, the coverage under such option shall become effective on the date of election. The increase in benefits provided herein shall not apply to a surviving spouse entitled to receive benefits under the provisions of Section 36.05(5) of the ERS Act. The term, "Policeman," shall be as defined under Section 36.02 of the ERS Act. All other provisions of 36.05(7)(b)4 of the ERS Act shall remain unchanged in full force and effect.
- 8. Except for the contractual guarantees set forth in Chapter 441 of the Laws of 1947, Wisconsin Statutes, the provisions of Section 36.13(2) of the ERS Act shall not be

applicable to employees appointed to City employment on or after August 1, 1985.

Implementation of the foregoing paragraphs was accomplished by amendments to the City Charter enacted prior to November 3, 1988. These amendments, together with the balance of pension benefits applicable to employes' covered by this Agreement under the 1985-1986 City/Association Agreement, are referenced in the introductory paragraph of the Pension Benefits Article of this Agreement.

APPENDIX J

Framework for a
Memorandum of Understanding
Between the City of Milwaukee
And the Milwaukee Police Association
Local #21 I.U.P.A., AFL-CIO

Re: Discretionary Days Off in Lieu of Discipline

Overview

The current disciplinary system within the Milwaukee Police Department frequently results in varying periods of unpaid suspension leave for employees. In essence employees are found guilty of violations of departmental rules and regulations and the Chief of Police Head makes a determination as to appropriate penalty. Upon Order of the Chief of Police, employees may be subjected to periods of unpaid suspension of one or more days in length. In such events the disciplined member is suspended for specific date(s) as determined by the Professional Performance Division, and said member suffers a financial loss for the unpaid date(s). It is recognized that financial losses are not typically borne by the offending member alone, but by his or her family as well. Additionally, members on paid suspension periods are absent from duty and therefore the Police Department suffers the loss of human resources. It is the intent of this agreement to provide for a suitable alternative to the current system, which will alleviate much of the financial loss to employees and their families, keep productive employees at their workplaces and still provide an effective means of discipline. This shall be accomplished by allowing Police Department members, under the below conditions, to substitute discretionary off time in place of suspension days.

Procedure

In those discipline cases wherein the Chief of Police orders the suspension of a member for a period of five days or less, the member subject to said discipline shall be served with the discipline order(s) consistent with current practices. In addition, the member shall also be served with a notice informing them of their option to substitute discretionary time in place of any or all suspension days. The notice shall advise the member that if he or she wishes to substitute discretionary time, he or she must notify the Personnel Division in writing within five calendar

days. Upon proper notification, the Personnel Division shall process the member's request and subtract the appropriate discretionary time from the member's balance. Failure to properly notify the Personnel Division or Administrator within the five-day period shall automatically result in the member forfeiting their ability to substitute discretionary time and the suspension shall proceed as ordered by the Chief.

Conditions of Agreement

- For applicable suspension as described above, the substitution of discretionary time shall be at the member's sole discretion, given that the member has the time available.
- Suspensions exceeding five days shall not be eligible for substitution.
- Only vacation days may be substituted. Substitutions shall be on a one-for-one basis, i.e. one vacation day replaces one suspension day.
- Compensatory time, sick time, etc., may not be utilized for substitution.
- Members may choose to substitute discretionary time for all or part of a suspension period. However, substitutions may only be made in full eight-hour blocks.
- Members may only substitute discretionary time that is available on the current Time
 Owed and Allowed reports. Members may not "borrow" future time.
- In the event that a member chooses not to substitute discretionary time, or does not have the time available to them on the current Time Owed and Allowed report, said member shall serve the suspension days as ordered by the Chief.
- A member's decision to substitute discretionary time shall have no bearing on their disciplinary record. All official Police Department disciplinary records, including the Personnel Order, shall continue to indicate that the member was suspended for the time period as ordered. Substituted suspension time shall continue to be a factor in matters such as progressive discipline, Sick Leave Incentive, promotional exams, etc.
- A member's decision to substitute discretionary time is neither an admission of guilt nor a waiver of grievance/appeal rights.
- In the event that a member chooses to substitute discretionary time and then is awarded a reduction of discipline through the grievance/appeal process, said member shall be credited with the awarded day(s), to the same account from which they were drawn. Time credited to the member's balance shall be governed by the rules in place for discretionary time applicable to the date the time is returned. For example: In January of 2005, a member is suspended for two days and substitutes two vacation days. The member grieves the discipline and in January of 2006, an arbitrator reduces the discipline to one day. The Police Department would then add eight hours to the member's vacation balance for year

- 2006 and subsequently the eight hours would have to be utilized by the end of that calendar year, unless the arbitrator/umpire directs otherwise.
- For purposes of this memorandum of understanding, the parties recognize the authority of the arbitrator/umpire to direct that the member be able to utilize any returned time during a period of one year immediately following the date of the award.
- The Chief of Police shall not in any way consider a member's discretionary off-time balance when deciding upon discipline.
- The procedure would be implemented on a trial basis for the term of the 2007-2009 Agreement and could be extended beyond that date by mutual agreement.

APPENDIX M

MEMORANDUM OF UNDERSTANDING BETWEEN THE CITY OF MILWAUKEE (City) ANDY THE MILWAUKEE POLICE ASSOCIATION LOCAL #21, IUPA, AFL-CIO (Union)

The City and the Union agree to resolve Grv. No. 2009-6/WERC Case 600 regarding ARTICLE 54 – DUTY ASSIGNMENT, and any other grievance filed by the Union regarding Article 54 of the labor agreement that has not previously been resolved, as follows:

- 1. The "temporary exceptions" referenced in the last sentence of Article 54 of the labor agreement allows the Chief of Police:
 - A. To assign one or more employees to a day duty assignment to further the Training Academy's mission. Such assignment may be made when in the Chief of Police's judgment:
 - (i) The employee to be assigned under this provision has a specific skill set or knowledge base not possessed by an employee currently assigned to day duty, or
 - (ii) The needs of the service warrant such an assignment, due to the work schedule or the special assignment of an employee currently assigned to day duty who might otherwise be utilized in the Training Academy's mission.

The assignment of each such employee to day duty shall be for a maximum of sixty (60) calendar days per year.

- B. To assign one or more employees to a day duty assignment when in the Chief of Police's judgment an emergency involving the needs of the service warrants such assignment. Any such assignment shall not exceed five (5) consecutive work days.
- C. To assign an employee to day duty when an employee requests such an assignment due to a life hardship. A "life hardship" is defined as a catastrophic life-changing event, such as the death or terminal condition of the

spouse, child, brother/sister or parent of the employee seeking such an assignment. The determination of whether an employee is eligible for such an assignment, and the decision to grant or deny the request, for up to 180 days, is in the sole discretion of the Chief of Police. The Chief of Police may, if the criteria in this paragraph are met, extend such hardship assignment for up to an additional 180 days.

- D. The Milwaukee Police Department shall provide the Union with written notification prior to assigning any employee to day duty pursuant to any of the above circumstances. If impracticable due to an emergent situation an initial verbal notification shall be followed by the written notification.
- E. The Union shall maintain the right to challenge any such exception and/or temporary assignment in-accordance with the grievance process.
- 2. In addition to the provisions set forth in paragraph one, the City and the Union agree that the following special provisions apply to employees assigned to what is currently known as the Milwaukee Police Department's High Intensity Drug Trafficking Area (HIDTA) unit. The parties agree:
 - A. <u>Specific Exception</u>. Those employees on the attached list who have been assigned in the past to day duty at the HIDTA unit, despite having insufficient seniority to be assigned to day duty, shall be "grandfathered" and are eligible to be assigned to day duty at HIDTA.
 - B. General Exception.
