

On 6-15-2016 I Shaqura was traveling on Lloyd st. When a van run the stop sign.

The lady that was driving the van didn't see the stop sign it was not visible do to a tree that was blocking the stop sign. When officer arrived traveling the same way as van didn't notice the stop sign either till he got to the corner. So that why the lady that was driving the van kept going cause the sign is not visible. I was injured in the accident my 2008 Chevy Impala was total.
