RE: Tower Automotive Site

Dear RACM Board:

As a company located in the 30th Street Industrial Corridor, we recognize the positive impact that the redevelopment of the Tower Automotive Site will have on our business, area residents and the revitalization of the 30th Street Industrial Corridor and the surrounding neighborhood.

Therefore, we are pleased to submit this letter in support of the City of Milwaukee and its proposal to create a tax incremental finance district for the area surrounding the Tower Automotive Site. We are excited about the opportunities the redevelopment of this site provides and look forward to seeing the site become a center for industry, commerce and jobs for the neighborhood and the greater Milwaukee community.

Please do not hesitate to contact us if we may be of further assistance.

Sincerely,

Beth Sahagian Allsopp
