

Tim Baldwin – Bio - 2025

I'm a business owner in Brewers Hill and a multiple property owner. I'm serving my second consecutive term elected to the Brewers Hill Historic Neighborhood Association. The Brewers Hill board unanimously nominated me to apply to the Historic King Drive BID. I moved to Milwaukee to get my degree in architecture from UWM. I purchased my first home in Brewers Hill Historic District in 1999. I renovated a house at 2008 N 2nd St and received a "Cream of the Cream City" award from the Milwaukee Historic Preservation Commission in 2006. In addition, I'm a realtor that specializes in historic properties both residential and commercial. I manage and maintain several rental properties and am a licensed contractor specializing in carpentry.

Historic architecture is my passion and I love being involved in my neighborhood and city. I would love to join the Historic King Drive BID.
