WE the undersigned homeowners and residents *oppose* the planned Way of the Cross Housing Project targeting the Teutonia / Center Street area. Our concerns are that:

- This development would add to an already existing problem of **traffic flow and safety**.
- The proposed opening of the Hopkins @ 13th street cul-de-sac would further contribute to **neighborhood density** and congestion.
- The decisions regarding this project were made without public meeting or input of the homeowners and residents who would be impacted.
