To the Honorable  
The Committee on Finance and Personnel  
Common Council  
City of Milwaukee

Ladies and Gentlemen:

RE: Common Council File Number 010112  
Prevailing Wage Resolution

The purpose of this file is to incorporate hourly rates and fringe benefit changes for construction trade categories in the City's Prevailing Wage Schedule by amendment of the City's Prevailing Wage Resolution.

The attached document lists the prevailing rates in the Milwaukee area and are consistent with wages as required by State law.

It is recommended, therefore, that your Committee approve the changes to the wage and fringe benefit rates as reflected in the attached document.

Sincerely,

  
Mariano Schifalacqua  
Commissioner of Public Works
