Chris,

Please add this to the record in support of my resolution changing the zoning for 2372 S Logan Av into parks.

Thanks,
Tony Zielinski

Hello Mr. Zielinski,

My name is Robert Druce and I live on Lincoln down the street from the five plus acre lot. I love Bayview and appreciate that it has open land and parkland. I utilize the dog park across the street and use the field to walk my dog and enjoy outdoor activities with friends in the neighborhood. I do not want to see that land developed into housing and I am willing to help out. I had a school function last night and could not attend the meeting. Thank you for your handwork in keeping Bayview beautiful and neighborly. Looking forward to hearing back from you and hope I can help in anyway.

Best,

Robert Druce
