

To the members of the Milwaukee Common Council
Zoning and Development Committee

Date: 17/01/12

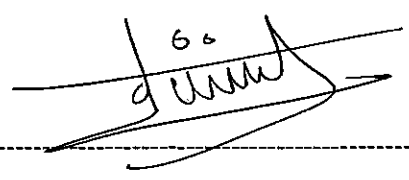

My name is: Jorge Trujillo

I reside/Business Jorge Trujillo Construction

I support the proposed zoning change that is before the Zoning and Development Committee for the property located at 1560-68 West Pierce St. I think this change will open up the possibilities for this key parcel in our community. Opening up the zoning for this parcel to mixed use development will increase the level of interest in the parcel by outside parties and will increase the likelihood that a development for this parcel is most responsive to the needs of our community.

Please help us to keep building our community one step at the time.

Sincerely,

(414) 467-4142

To the members of the Milwaukee Common Council
Zoning and Development Committee
