Complainant is a West Allis Police Detective and bases this complaint upon information and belief.

Upon the statement of Jayna R, a juvenile female (d.o.b. 3/2/1999). Jayna R. states that on the morning of May 24, 2012, at about 7:10 a.m., she was walking to school (Lincoln Intermediate School) and she was walking through a Pick N Save parking lot and was walking toward Orchard St. As she approached Orchard St, she saw a yellow cab parked on that street. As she walked past the cab the driver asked her several times if she wanted a ride. She continued to walk toward school and the driver of the cab was driving along side of her, continually asking her if she needed a ride and telling her that he had cigarettes for her. She states that the cab continued to follow her for several blocks and she was scared because the driver would not leave her alone. She finally turned on Lapham and the cab did not follow her.

Upon the statement of Katelynn B, a juvenile female (d.o.b. 1/26/1996). Katelynn B. states that on the morning of May 24, 2012, she arrived at West Allis Central High School and then decided to leave to meet a friend. This was at about 7:20 a.m. She left the school and was walking eastbound on Becher and she was between 79th and 80th Streets when she saw a yellow cab parked on Becher. As she walked past the cab, the driver asked her if she wanted a ride. She told the driver that she was only going two blocks, but he told her that it was not a problem. She then got into the cab and the driver drove her to the intersection of 78th and Lincoln. She got out of the cab and met her friend. She and her friend talked for about 10-15 minutes and then her friend got on a bus and she started to walk back to school. As she was walking on Becher, she saw the yellow cab parked in the 7700 block of Becher. As she walked past the cab, the driver, the same man who drove her to 78th and Lincoln, told her that he could give her a ride to school and she got into the cab, in the front seat. He then started driving her toward the school. When he was in the 8000 block of W. Grant St, he stopped the cab and then he locked the doors of the cab. The driver then grabbed her hand and told her that he liked her. He then put his hand on her thigh and he attempted to pull up her dress, but she pushed his hand away. The driver then grabbed her breast and squeezed it several times and he kissed her on the cheek and told her that he liked her boob. She was asking him what he was doing and telling him that she needed to go to school. The man suddenly stopped and drove her to school. She stated that she did not give him consent to lock her in or to touch her breast.

Complainant states that subsequent investigation led to the identification of Opinder Singh as being the cab driver involved in these two incidents. On May 31, 2012, Singh was arrested and then interviewed about these incidents. Singh stated that a girl had approached his cab and asked him for a cigarette. He offered the girl a ride and drove her to the area of 76th and Becher and dropped her off. When he dropped her off he told her that he would give her a ride back to school if he did not have another customer. A few minutes later he saw the same girl and she was walking westbound on Becher. She got into his cab, in the front seat. He stated that he drove but pulled over and parked near 82nd and Grant. He stated that while parked, he touched the girl's hand and her breast. When asked if she gave him permission, he said No. He also admitted that the girl appeared to be uncomfortable. He stated that he then drove her back to school. Singh denied locking the doors of the cab.

Singh was also asked if, on May 24, 2012, in the morning, he came into contact with a young girl in the area of 69th and Orchard. He stated that he did. He stated that he had followed a young girl and had asked her if she needed a ride. He also said that he asked her if she smoked. Singh stated that he thought the girl was about 13 or 14 years old. He said that he did ask her several times if she wanted a ride, but the girl kept walking and never got into his cab.
