Dear Sir/Madam:

recommends that given the history of this site (having been previously occupied as a drycleaners); this location is probably a "brown site" in need of major cleanup. We also contend that this location has had a history of ownership who did not maintain the location at a level of cleanliness and trash pick-up that supports enhancement of our business community.

We anticipate increased street chaos associated with the store's likely marginal clientele in a community only now recovering from the aftermath of the Sherman Park unrest of 2016. We also believe that a duplicative service conflicts with existing viable is incompatible with the future rational development of

We are opposed to the presence of this business in our community. We do not need another store of this type on Burleigh St.

If you have questions or should you need additional information, please contact

Re: License for food dealer convenience store
4704 W. Burleigh St.

To whom this may concern,

We are submitting an objection to granting a food dealer-convenience store license to Jordan Deli & convenience in above location. There are many grocery stores and convenience stores along this Burleigh St. area and we can not see the need. We are concerned about the welfare of the public and the neighborhood as far as littering, loitering, and traffic. We have been in business for over 40 years and have watched the neighborhood change over the years. We are a [redacted] et and our customer base does not live in this area and have to come in and all the negative publicity of Sherman park area is of a concern.

Thank you,

Kosher Meat Klub, Inc.

Regarding:

Your Food Dealer Retail Application as agent for "Burqa LLC" for "JJ's Food & Tobacco" at 2627 W Burleigh St.

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.

To Whom It May Concern,

My name is Mohammed. I have been running my businesses at [redacted] in Milwaukee for almost twenty years. Unfortunately, there are two specific businesses that are creating problems in the neighborhood. The businesses at 2627 W Burleigh Street and 3076 N 27th Street, which have the same owner, have had several violations at their premises in the past. The owner has been using a different agent's name every so often to run his businesses and not only that he is altering his addresses every so often, as well. It has been causing a confusion among my customers because my businesses are located nearby, as well as, other customers being misdirected. Not only that but he partakes in illegal activities, which has caused an increase in violence in the neighborhood. As a result of the way the owner conducts his businesses, there have been numerous incidents regarding gun violence in the past. As a business owner, I feel that it is my right to bring awareness to the hazards in the neighborhood. I cannot guarantee the safety and well-being of my patrons, employees and the entire neighborhood anymore, which I used to take pride in, if this business owner continues his ways. I was hoping that someone could investigate this issue and resolve it urgently. I would greatly appreciate it. Thank you.

If you have any questions or concerns, please feel free to ask me, my email is

Sincerely,

To whom it may concern,

Hello,

My name is Abdel Hamid Jaber. I am currently the owner of Burqa LLC located on 2627 W Burleigh. I applied for a tobacco and food dealer license for this location. However, I recently received a letter stating that my application has been denied due to neighborhood objection from a business owner nearby. I am interested in appealing this letter. I have operated a tobacco and food dealer license for a couple years and have not had any issues or violations with the police or community. I will do my best to work with the community in keeping it safe and clean for everyone. I am sure this business will have a positive impact on the community. I hope you take this into consideration. Please feel free to call me for additional information at 414-412-5713. Thank you for your time.

Sincerely,
Abdel Hamid Jaber
