CITY CLERK

Dear Claims Representative:

On Sunday, February 13, 2005 at 6:30p.m, I acquired major damage to my vehicle as a result of a pothole on one of the City of Milwaukee streets. This incident took place on Sherman Boulevard and Center Streets, in front of Sherman Park Lutheran Church. The pothole was in the right lane of which I was traveling in.

I was unable to avoid the pothole due to the weather conditions and the time of day that this incident took place. I was unable to see the hole in the street. Because of the pothole, my vehicle's left front shock absorber and the front stabilizer bars were damaged. As a result of the damage, I was unable to drive my vehicle until the repairs were done.

As I waited to acquire the finances to repair my vehicle, I had to find other means of transportation to get back and forth to work. It took approximately six weeks before the damages were repaired. During this time, I received estimates from various locations for the damages to my vehicle and finally had the work done at Wisconsin Muffler, Tire and Auto Repair (5835 West Lisbon Avenue, Milwaukee).

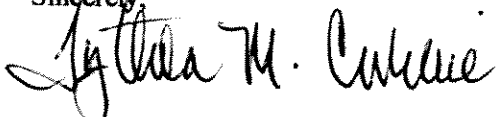

This has been an inconvenience for me, considering I rely on my vehicle to get me to and from my place of employment. If the damages had been acquired as a result of a traffic accident, involving another vehicle, then their insurance would have covered such damages. If they were without insurance, my policy would have covered it. The damages were the result of the ill repair of a city street and my insurance does not cover such damages. I am requesting to be compensated for my damages that I have received on my vehicle, as well as for the loss of usage during the time I went without transportation.

I have attached the specified documentation for this claim. The items include: estimate reports from three auto service locations, estimates for the use of a rental vehicle, and the receipt for the services that were performed for the damages to my vehicle.

I appreciate your attention to this matter. I can be reached at (414) 698-7272, or by message phone at (414) 447-9495 with any questions.

Thank you, in advance, for your time.

Sincerely,

Ms. Tython M. Currie
