Re: **The Moderne:** EBE and RPP Data through June 30, 2012

Dear Ms. Purvis:

This report addresses the participation of EBE firms and RPP workers on The Moderne, where construction is on pace to complete the tallest structure in downtown Milwaukee west of the Milwaukee River this fall, and occupants have already started moving in.

Developer Barrett Visionary Development, Contractor J.H. Findorff & Son and Coordinator Prism Technical remain fully committed to meeting at least 25% EBE participation on the \$29.5 million adjusted construction budget and utilizing at least 30% RPP workers on the project, which will have 203 apartments and 14 condominiums when complete. For this report, we have addressed EBE and RPP participation through June 30, 2012.¹

EBE Participation

Through June 30, 2012, EBE firms were paid nearly \$5.2 million (see detail in the table below), or 26.0% of the adjusted construction spending of \$19,932,192.15, as reported by Findorff. This number also represents 81.9% of the total EBE contract values, demonstrating that as the project nears completion, EBE contractors and service providers have shared in the project’s success.

EBE Firm	Prime Contractor	Trade	Contract Amount	Amount Paid Through 6/30/12
Arteaga	J.H. Findorff	Masonry	\$113,090	\$100,701

TOTAL			\$6,327,431	\$5,184,812

¹ All EBE and RPP figures have been verified. There may be some adjustment to the final RPP figures for the period (likely showing an increase in RPP participation) as additional workforce hours which have yet to be verified are not presented in this report.

RPP Participation

Through June 30, 2012, there were 217,518.4 onsite construction hours. Of those hours, 67,057.0 were worked by individuals certified under the City of Milwaukee Residents Preference Program, yielding an **RPP percentage of 30.83%**.
