Alder Coggs,

I am the owner of the apartment building at 1830 Hubbard Street in the Brewers Hill neighborhood which shares a driveway with the site of the proposed Avli restaurant. Additionally, I will be moving our company from the Milwaukee CBD to this building in July of this year. I would like to voice my support for the proposed Avli restaurant. It is a shame to see vacant buildings anywhere in the city and the former View MKE building needs a new life. I believe the use is perfect for this location and will be a great amenity for the residences in the neighborhood. Thank you for your time.

Dear Honorable Alderwoman Coggs
200 E. Wells Street
Room 205
Milwaukee, WI 53202

I am writing to express my support for Avli and operator Lou Canellis. Across their existing locations, Avli has proven to be a good neighbor and an upstanding operator that adds to the vibrancy of their neighborhoods. I know that Avli will be an asset to your ward and constituents.

As the President and CEO of the Illinois Restaurant Association, and a former restaurant operator myself, I personally know Lou to be an excellent businessowner and a valued part of each community he serves. Aside from the excellent food and upstanding reputation, Avli also participates in several charity events and can be counted on to give back to the community.

I strongly support Avli and know they will be an excellent addition to Milwaukee. Please feel free to reach out to me if you have any questions. I can be reached at stoia@illinoisrestaurants.org or 312-787-4000.

Sincerely,

Sam Toia
