PA-33E Narrative

This report was written by PO Jennfier PHILLIPS assigned to Central Booking, Late Shift.

On Saturday, November 14, 2015, I was assigned to the Wisconsin Wins Tobacco Initiative, which checks area vendors for age compliance tobacco purchases. Assisting in this assignment was Timothy M. WILKINS B/M 09/01/98 of 3526 W. Sarnow St. Milwaukee, WI 53208. WILKINS is 16 years old and not of legal age to purchase tobacco. A photo of WILKINS was taken at the beginning of the assignment for identification.

At approximately 11:47A, WILKINS entered Lloyd Food, located at 2101 N. 38th St., and purchased a Swisher Sweet White Cigar. WILKINS provided a description of the cashier that sold him the tobacco. I entered the store and spoke with the cashier that matched the description. The subject was identified as Charanjeet KAUR A/F 07/22/67. KAUR admitted she sold WILKINS tobacco. KAUR was advised an enrollment letter for the M.A.R.T.S. program would be mailed to the agent.

As of 12/15/15, the agent had not enrolled in the M.A.R.T.S. program, therefore, a citation was issued.

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 4/6/2016 at 3:00 PM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.

 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.

Re: Change in Circumstance

I am communicating with you to ask for your support a food license for of F & M Prepaid and Tobacco, locates at 2414 W. Fond du Lac. I took over the operations as owner of the store about a year and half ago, as it is currently (tobacco and cell phones). My goal is to expand my products offering to include other food items, this is comes from the request of the community. First, I have to get approval for my license. Recently the grocery store, Lena's, closed and many of my customers are asking me to obtain my food dealers license because they don't have anywhere to go in the neighborhood to grocery items.

I've been in business in the area for nearly two years and have built a great customer base, including the support and encouragement from the pastors at the churches across the street and behind my business. They have encouraged me to expand my products, especially because of the Lena's store closure. I would like to supply my customers' requests for foods, snack and beverages. This requires that I get a food license. My goal is also to be able to hire additional employees as the store gets more business. I am aware of the needs and expectations of the community to add positive growth of this community.

I want to eventually make the establishment into a business that is more of an asset to the area. However, in the mean time, I am struggling in my current store because of the small amount of products that I offer. Again, I have been in touch with the faith community and they are encouraging him to offer a more established line of groceries so that they can patronize me more often. I am also working with the Marketplace Business Improvement 32 on how to make the business better and be more sustainable as a business. I have also spoken to the BID about the increase in the community need since Lena's closed. My license is for me to reach some short-term goals so I can help the community with its long-term strategy. I will continue to work with the BID 32 to explore other business models at my business location. I have been in touch with the African American Chamber of Commerce. I also have been working with WWBIC to obtain financing to help my business grow. We have discussed the possibility of being a specialty market focused on African grocery products. That is a step-by-step process. In the meantime, I need the food license to add additional products so I can keep my doors open. The phones and tobacco is not the type of business, this could include, what I mentioned above, an African grocery type of store. Therefore, I understand the balance we have to make between convenience stores and the potential saturation in this area. I am an established responsible property owner. I have customers and signed signatures to support my business expansion.

If you have any questions or need additional information please feel free to contact me. My phone number is 414.255.6231.
