

July 24, 2001

To the Honorable Common Council  
Public Improvements Committee  
City of Milwaukee

Dear Committee Members:

Attached is File No. 010469, being a resolution amending Resolution File Number 001378 approving the plat of right-of-way required for the construction of a new bridge over the Milwaukee River in conjunction with the removal of the Park East Freeway (STH 145) to include approving an additional plat of right-of-way required for the construction and new alignment of the local streets associated with the removal of the Park East Freeway (STH 145).

The resolution approves the location of a new bridge over the Milwaukee River and defines the extent of acquisition necessary to construct the bridge. Acquisition of private property will be required because the Park East Freeway was built on air rights in this area.

Accordingly, the City Plan Commission at its regular meeting on July 23, 2001 recommended approval of the attached resolution.

Sincerely,

Julie A. Penman  
Executive Secretary  
City Plan Commission of Milwaukee
