To the Public Works Committee

Subject: Common Council Resolution File Number 110020

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 110020, being a resolution to grant a special privilege to Dashmesh Investment LLC to construct and maintain a barrier free access ramp in the public right-of-way for the premises at 3160 North 27th Street.

The applicant is requested permission to construct and maintain a 29-foot long barrier free access ramp and platform with handrail in the east, 8-foot wide sidewalk area of North 27th Street. The concrete ramp and platform structure projects 1 foot into the fully paved sidewalk area, leaving a 7-foot clear sidewalk width available for pedestrian traffic.

We are not aware that the presence of said ramp, platform and handrail will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, allow said items to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
