ADDITIONAL COMMENTS/RECOMMENDATIONS:

This report is written by P.O. Laurel Lammers, assigned as the District Five Community Liaison Officer. On Thursday, May 29th, 2014 at 11:30am, I met with Mr. Anthony McGaughy regarding his application for a new liquor and public entertainment license for 2053 N Dr. Martin Luther King Jr. Dr. which will be under the business name of The Big Eazy.

The proposed business is located on the south west corner of W. Lloyd St. and N. Dr. Martin Luther King Jr. Dr. The main entrance is on the east side of the building and faces east out on to Dr. Martin Luther King Jr. Dr. and there is a secondary entrance on the north side of the building that faces out onto Lloyd. Both of the entrances appeared to have adequate lighting, although it was daytime hours and the lights were not on at the time of my survey. There is a parking lot immediately to the south of the building. That parking lot is for the business just to the south, East Bank Storage, which also owns the building that the Big Eazy is opening into. That parking lot is monitored by two cameras that are mounted on the north side of the East Bank Storage building and one camera that is mounted on the south side of the Big Eazy building. Mr. McGaughy stated that they already have an agreement in place that they will be able to use the parking lot after business hours and on weekends.

I also conducted an inspection of the interior of the business. As I entered through the main entrance that is located on Dr. Martin Luther King Jr. Dr., I entered into the smaller front assembly hall. Mr. McGaughy stated that area will be used primarily for the restaurant, but will also be used as a reception area for when the business is hosting events. As I continued through the business (to the west) I observed two brand new men's and women's bathrooms. Beyond that was an all new kitchen, and beyond that was the rear assembly hall, which will be used as the event and banquet area. I also viewed the basement storage and office areas of the building. All of the interior area were well kept, and neat and orderly.

Recommendations made:

I did speak with Mr. McGaughy about installing more exterior cameras as well as an interior camera system. Along with that, I gave him information regarding the Surveillance Camera Program that is being sponsored by the Milwaukee Police Department and Safe & Sound. We also spoke regarding cash handling techniques. Mr. McGaughy stated that they would be using a point of sale (credit) system. I did recommend that they purchase a safe that can be either floor or other method mounted to keep any cash that they may receive. I also spoke with Mr. McGaughy about any security concerns for larger parties. I did recommend that he possibly contract with a security company when .

Included in this report is a copy of the business catering contract, as well as the Banquet Hall rental form

PO John SHIPMAN assigned to District 5, Late Power Shift types this report. On 4-20-14 at 2:25am sqd 5448 (PO SUTYAK and I) conducted a license premise check at 1806 N Dr Martin Luther King Dr (Total Game Sports Bar). Prior to conducting the check I was informed by Sgt Chad RADEN of the license investigation unit that Total Game Sports bar license had been granted but not issued due to a lack of payment. Since the license had not been granted Total Game sports bar was not supposed to be open.

As I entered the bar I observed approximately 10 customers in the bar drinking. The owner John MOORE (B/M 9-25-64) approached me and he explained that he had renewed the license and paid in cash at city hall. MOORE showed me a receipt that listed a payment made at city hall on 3-24-14. (Receipt# 01613288) I asked MOORE why his license was not displayed behind the bar as required by city ordinance.

MOORE stated he usually kept the license on his person and produced a license from his wallet that expired on 10-11-13. (License # BTVN 0200361) When I pointed out that that license was expired MOORE stated they had the new license displayed but and moved them recently when they had been cleaning. MOORE directed the bartender Anthony L BOWIE (B/M 3-24-75) to search for the licenses behind the bar. BOWIE was unable to locate the licenses. I asked BOWIE to show me his bartenders license and BOWIE couldn't find it saying it had been misplaced when he had been cleaning.

A records check by PO HARRIS confirmed that the class B license for Total Game Sports Bar was granted but not issued due to non-payment and that BOWIE's bartending license expired in 2012. MOORE was advised that he could not be open until he was issued a valid class B license by the City of Milwaukee. MOORE was also advised that the license needed to be displayed in the establishment. MOORE agreed to close voluntarily and stated he would not reopen until he had obtained a license.

Sqd 5369 (PO SEELOW) checked Total Game Sports Bar on 4-21-14 at approximately 1:00am to confirm they were closed.

PO WALKER assigned to the District 5 CPU issued MOORE a citation for Liquor Licence Required (ordinance 90-31-1 \$3,234.06) via mail.

COMMITTEE MEETING NOTICE

AD 06

THOMAS J HOLMES, II

1841 W Kneeland St

Milwaukee, WI 53205

You are requested to attend a hearing which is to be held in Room 301-B, Third Floor, City Hall on:

Tuesday, September 09, 2014 at 10:15 AM

Regarding: Your Class B Tavern, Food Dealer, and Public Entertainment Premises License Applications Requesting Instrumental Musicians, Bands, Comedy Acts, Poetry Readings, Dancing by Performers, Jukebox, and Karaoke for "TJ's" at 2712 N MARTIN L KING JR DR.

There is a possibility that your application may be denied for one or more of the following reasons: you do not meet the statutory and municipal requirements; the fitness and appropriateness of the location to be licensed and whether the location will create undesirable neighborhood problems (such as disorderly congregations of people, excessive litter, unreasonable noise, and traffic and parking problems), whether or not there is an over-concentration of alcohol beverage establishments in the neighborhood; whether or not you have been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the licensed activity; and any other factors which reasonably relate to the public health, safety and welfare. See attached police report and/or written correspondence regarding this application. Please be advised the public will be able to provide information to the committee in person or in writing. The committee will receive and consider evidence regarding the above mentioned criteria. Possible denial because: This proposed location is in an area that has previously been found by the Common Council to be over concentrated with alcohol outlets. Attached is the concentration of alcohol beverage outlets in the area map existing at the time of the determination of the over concentration based on an address of 109 E Burleigh. The Licenses Committee will consider concentration of alcohol beverage outlets as one question regarding the suitability of this location to be licensed as an alcohol beverage establishment. You may present evidence supporting your application. One issue that evidence should address is whether the licensure of this location is appropriate in light of the concentration of alcohol beverage outlets.

Notice for applicants with warrants or unpaid fines:

Proof of warrant satisfaction or payment of fines must be submitted at the hearing on the above date and time. Failure to comply with this requirement may result in a delay of the granting/denial of your application.

Failure to appear at this meeting may result in the denial of your license. Individual applicants must appear only in person or by an attorney. Corporate or Limited Liability applicants must appear only by the agent designated on the application or by an attorney. Partnership applicants must appear by a partner listed on the application or by an attorney. If you wish to do so and at your own expense, you may be accompanied by an attorney of your choosing to represent you at this hearing.

You will be given an opportunity to speak on behalf of the application and to respond and challenge any charges or reasons given for the denial. No petitions can be accepted by the committee, unless the people who signed the petition are present at the committee hearing and willing to testify. You may present witnesses under oath and you may also confront and cross-examine opposing witnesses under oath. If you have difficulty with the English language, you should bring an interpreter with you, at your expense, so that you can answer questions and participate in your hearing.

ADDITIONAL COMMENTS/RECOMMENDATIONS:

This report is written by P.O. Laurel Lammers, assigned as the District Five Community Liaison Officer. On Thursday, July 3rd, 2014 at 12:30 pm, I met with Thomas Holmes Jr. regarding his application for a new public entertainment license for 2712 N. Dr. Martin Luther King Jr. Dr., which will be under the business name of TJ's.

The proposed business is located on the east side of King Dr. a few properties to the North of W. Center St. The main entrance is on the west side of the building and faces out onto King Dr. At the time of my inspection, I could not see into the business because there were curtains covering all of the windows. The windows were quite large and open though, and free from signage. Once the curtains would be pulled back, you would be able to completely see in and out of the business. I did observe a light over the entrance door, but it did not have a bulb in it. There is street lighting that would appear to possibly light some of the area around the business. But, I did speak with Mr. Holmes about putting in more exterior lighting. The business at this time would have to rely on street parking. There is a parking lot to a closed business (Stella's Southern Cooking) just to the north that they could possibly use with permission from the owner. Mr. Holmes did mention that they plan on paving a lot behind the business that could possibly park approximately 10-20 autos in an angle-parking format. Until that is established, Mr. Holmes stated that he would have employees conducting valet parking so that customers do not have to try to find a parking spot on the street or in the area. As of the time of my inspection, the business did not have any exterior cameras. I did explain the city's surveillance camera program and email him the information regarding. Mr. Holmes stated that he did plan to have exterior cameras in the future.

I also conducted an inspection of the interior of the business, which appeared neat and clean. It did not appear as if the business could be ready to open though since there was no bar lighting, cash register, or product. There were some coolers/refrigerators there from the previous business that just needed to be pushed and plugged in. There was an established bar area. There also were not any cameras in place. There was no posted capacity at the time of the inspection but Mr. Holmes stated that he would be keeping the capacity the same as the previous business, which he thought was around 80. Mr. Holmes stated that he plans on having a minimum of three employees staffed during the week, and six on the weekend. He does plan on having trained security personnel, although he is not sure if he will contract armed security. Mr. Holmes stated that he would not have an age restriction other than over the age of 21. He will have a dress code, but does not plan on using any other type of security measures. He and/or employees that are working will monitor any overflow crowd.

I did also speak with Mr. Holmes about making sure he did update the interior lighting, and have a safe installed for safekeeping of cash.

In addition to the camera program information, I did also email Mr. Holmes a copy of the District Five contact guide so that he would have emergency and non-emergency contact numbers. There is no phone at the business at this time, but he does plan on getting one installed once the business is up and running.

REDACTED RECORD

Re: TJ's 2712 N. Martin Luther King Dr

June 19, 2014

Dear Sir or Madam;

I am writing this letter to notify you of my objection to the granting of the a license for the above stated location. It is my belief that this type of establishment will not add to this neighborhood or the community at large.

I am a homeowner, and

this is a residential neighborhood and there is already a sports bar directly across the alley , which is also located next door to this proposed business.

I have children and pets and do not want to see another bar in the area. We have enough bars and taverns in this area and do not need another one. I am opposed to have this type of establishment in this area, we already deal with drug addicts using the rear of these buildings as public restrooms, areas to smoke, purchase and use drugs, additionally these people also use the rear of the buildings to participate in illicit sexual activities.

this has been an ongoing problem since I purchased this property more than 2 years ago.

Additionally I belief that this type of establishment will only add to the growing crime that we deal with in the area. It is my belief that if this establishment were to open we will deal with additional physical violence and increased gun activity in the area. The police in this area are already

under severe constraints and do not need the additional stress of having another set of potential offenders to worry about, neither do the citizens of the neighborhood. We have had all of the windows on the north side of our house busted out. I do not desire to deal with the increased noise level or traffic in the alley or the street. We are already trying to rid the neighborhood of the unwanted issues now. Although there is a sports bar on across the alley, it is not opened daily and when it is they cater to an older crowd which is something that I do not feel will be the case with this establishment.

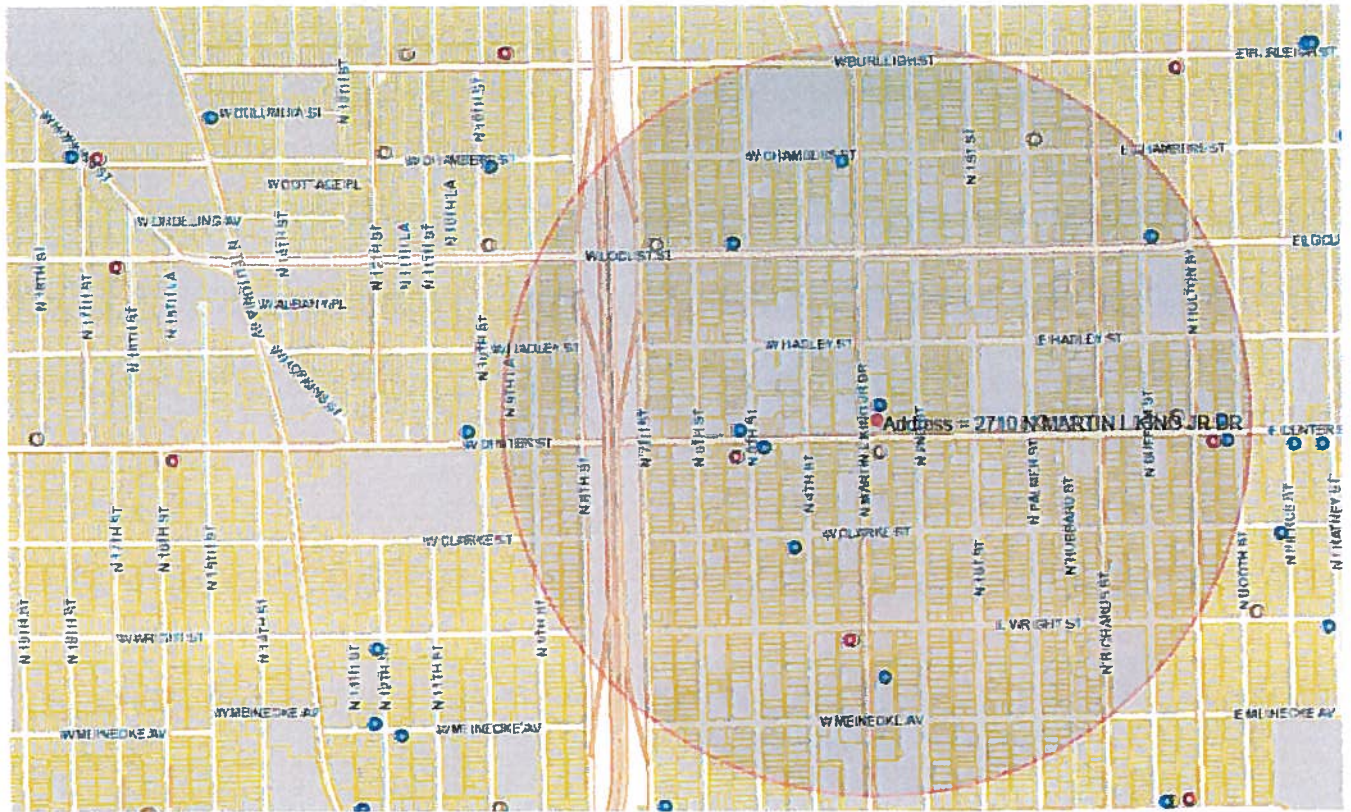

I would like to thank you for reviewing my opposition and ask that you seriously look at the type of establishment that is being proposed and consider the overall impact that this would have on my neighborhood and community. Please do not grant this license, this is not the type of business that this community needs.

Thanking you again

Sincerely,

SO 11 704 50 B 5: 51
